

This week's Senate will be held in Tishman Commons and will be a town-hall style meeting for the entire campus to talk about Social Life at Wellesley. We hope to see all of you there!

People complain about their social life at Wellesley all the time. Come tell it to the people who need to hear it, like the administration and campus police, and let's get the conversation started. What is right about your social life? What needs help? Tell us what you think, learn the results of the social life survey, find out the spring week line-up, and let your voice be heard.
