

Dear Fellow Wellesley Students,

The yearbook needs your help with this very important survey. The Wellesley College Yearbook is in danger of being non-existent. There are several ways that we can prevent this from happening, the options are listed below. Please take a few minutes to fill out this survey and return it via campus mail to Legenda, Schneider Center. Your participation is vital to keeping the yearbook tradition alive here at Wellesley College. As an added incentive for you to fill out this survey, we will have a drawing to give away complimentary 2003-2004 yearbooks to 20 participating members of the residence hall that gives the greatest response. You are welcome to write your comments on the back of this survey. Please print clearly. Thank you.

Name: _____ Year: _____ Dorm: _____

_____ Option 1. No, I don't think the yearbook is important. I would rather let it disappear.

_____ Option 2: I do think the yearbook is important. I would like to have the charge for a yearbook covered by the current student activities fee so that as a senior I will automatically receive a yearbook (the student activities fee is covered by financial aid). All other students must pay full price for a book (full price is currently \$70).

_____ Option 3. I do think the yearbook is important and I would like to have the student activities fee subsidize a yearbook for every student every year so that each student only needs to pay a small fee for their book.

_____ Option 4. I do think the yearbook is important and I would like the book to be subsidized by the student activities fee for seniors only. All other students must pay full price for a yearbook.
