

Dear Class of 1978,

In anticipation of our Wellesley 30th reunion on June 6–8, 2008, it's time to think about our reunion record book. I am hoping that each of you will take the time to participate!

In this mailing, you will find a two-minute (or less) anonymous questionnaire, the results of which will be compiled and included in the reunion record book. You will

also find a record book order form. Please take a few minutes to fill out these forms and return them in the enclosed envelope.

VERY IMPORTANT!

We would love to receive a record book personal page from each and every one of you. The template for the record book personal page can be downloaded at <http://www.wellesley.edu/Alum/Classes/1978>. Then click open the "Record Book Personal Page Template" and save to your computer. After completing your page electronically, you may either email your page to epma@comcast.net as an attachment or you can print it out and mail to Elizabeth Atkin, 36 Juniper Road, Weston, MA 02493. **Either way, I would like to receive all personal pages and questionnaire responses by November 1, 2007.**

A few notes about your personal page... Whether or not you plan to attend reunion (and we really hope that you will!), we would love to hear from you. Your personal page can be a brief note, poem, to-do list, favorite recipe, or a more comprehensive missive! When creating your page, please stay within the one-page template format which allows space for binding and minimizes the need for clumsy reformatting. The book will have a vertical orientation and will be printed in black and white. If you wish to insert a digital photograph on your page, a black & white shot is likely to come out best.

I do hope to receive your record book personal page right away so that we all can enjoy this collective masterpiece in advance of our reunion. In addition, Class President Leigh Hough has graciously volunteered to mastermind putting our record book on disc. It is our hope that this will go out to the entire class of 1978 so that even more classmates can experience the happiness of staying connected!

Please participate! Let the Wellesley connection flourish!

Cheers,

Elizabeth Metcalf Atkin
