

the landscape & architecture of wellesley college

peter fergusson, james f. o'gorman, and john rhodes

The landscape and architecture of Wellesley College have long been recognized as one of the masterpieces of campus design in North America. Richly illustrated with vintage and contemporary images and written by three Wellesley professors of art, this book details the 125-year evolution of the meadows, woods, and buildings.

To order your copy, please fill out the order form below and include credit-card information and signature or send a check made out to wellesley college for \$67 (includes \$7 for shipping and handling) and mail to 125th Anniversary Office, Wellesley College, 106 Central St., Wellesley, MA 02481.
