

Courses in Asian-American Studies

Asian-American Studies is an interdisciplinary and interdepartmental field at Wellesley. Distinct from, and yet interdependent on, East Asian Studies, South Asia Studies, and American Studies, it focuses on critical issues unique to the experience of the people of Asian and Pacific Islander heritage in North America since the mid-eighteenth century, and examines the growing globalization of this experience in transnational terms. Course work in this curricular field can enrich and enlarge concentrations in a variety of existing departments and programs.
