MEDICAL Illness NOV 8 2007-Thursday at 09:42 07-11-08-25958  
**Location:** FOUNDERS HALL 070347  
**Summary:** The RP, a WC faculty member, called to request an ambulance for a student who had collapsed in Founders Hall. Officers were dispatched. The RP then reported that the student, who had regained consciousness, left the classroom stating that she did not want any medical treatment. The student in question was then located in the academic quad, and again refused medical assistance. She was walked to her residence hall by one of the responding officers. The on-duty supervisor notified the RD on-duty, as well as a nurse at Health Services. A report has been filed. This case is closed.
