FACULTY UNDER REVIEW FOR REAPPOINTMENT, TENURE, OR PROMOTION

2006-07

As specified in College legislation, the Committee on Faculty Appointments publishes each fall a list of faculty members to be reviewed that year for tenure, promotion, reappointment, or merit increases. Listed below are the faculty members to be reviewed in 2006-07, excluding candidates who requested that their names not be published. Early in semester II, the Committee will publish an updated list of faculty to be reviewed in the spring.

All members of the college community are encouraged to write letters about faculty members being reviewed and send them to the Office of the Dean of the College. Letters should be submitted before the R&P Committee's deadline to be most helpful. These letters are reviewed by the Committee on Faculty Appointments along with the student evaluation
