

# Family care benefits that make life work.

Wellesley College understands that life happens. Random school closures, sick nannies, aging parents who need help, pets who could use some mid-day love... Wouldn't it be nice to have some help along the way?

Now you have it, with Care@Work provided as a benefit for you from Wellesley College. But you have to register to get started.

**Your benefit details:**

Backup Care for children and adults: 10 days  
Benefit is per year, July 1 – June 30

**Backup Care Subsidized Rates:**

\$8.00/hour for in-home care  
\$25.00 per child per day at child care centers

## Take advantage of your benefits now.

**Care.com Membership**

Find, schedule, manage, and pay for care via the Care.com app and mobile or desktop sites. On Care.com, you can find dog walkers, babysitters, personal assistants, summer or vacation camps, house cleaners, tutors, and more.

**Backup Care for children**

Vetted in-home or in-center child care when you need it most. Use your benefit any time you need a quality caregiver.

**Backup Care for adults**

Vetted in-home care for any adult in your family—including you. Providers may be certified nurse's aides, home health aides, or experienced elder care companions.

# Frequently Asked Questions

## What is Care@Work?

Care@Work by Care.com provides employers with innovative tech solutions that help employees care for their families. Our services are powered by people who care—our experts, our partners and our team. Hundreds of leading companies have chosen Care@Work as their family care benefits platform.

## How do I sign up?

Visit your employer's Care@Work portal (see your specific URL below) or download the Care@Work app (available in the App Store on your iOS device, and on Google Play) to enroll. Your HR department has selected your user name, which could be your work email address, employee ID, or other.

## I have questions about my Care@Work benefits.

### Who should I contact?

You can talk to a member of your HR department or contact Care@Work directly by calling 855.781.1303 or emailing [careteam@care.com](mailto:careteam@care.com).

## What kind of information do I need to provide about my dependents?

To ensure your care needs are met, the following information will be asked during registration:

- Name
- Age
- Gender
- Any special needs

## How it works:

- 1. Register for Care@Work** either through your employer's Care@Work website or via the Care@Work app, even if you don't have an immediate care need. That way, your account will be ready to go when you need it.
- 2. When you're ready to use your Care@Work benefits**, log in to your account through your company's Care@Work website or the Care@Work app to get started. You can also call 855.781.1303.
- 3. Identify the type of care you need.** On your employer's Care@Work website or via the Care@Work app, click or tap your selection. If you're calling in, press the number that corresponds to your care needs.
- 4. Follow the prompts** to complete your search for care.
- 5. Tell us how it went.** Please share your feedback by answering a brief survey that will be sent to you after care is complete (surveys are sent based on the benefit used).
