WELLESLEY
ALUMNAE ASSOCIATION

ACKNOWLEDGMENTS

Reunion weekend is sponsored by the Wellesley College Alumnae Association, but it represents a combined and concerted effort on the part of the Alumnae Association and the College. We would like to thank everyone involved in making reunion possible—we simply could not host this event without them. Our profound gratitude goes to the faculty and staff who have generously given their time to enrich the reunion program. In addition, the Alumnae Association is indebted to the hundreds of alumnae volunteers who deliver programs and activities with generous contributions of their time, talent, leadership, and expertise every year.

WELLESLEY COLLEGE
OFFICE OF THE PRESIDENT

H. Kim Bottomly

June 2012

Dear Alumna:

Welcome to reunion! It's wonderful to have the campus buzzing with so many alumnae and friends. I have been looking forward to our time together.

During my travels across the country, meeting with alumnae, I continually hear about your fond memories of our beautiful campus. I hope you'll agree that the campus is as lovely as ever. I encourage you to take some time this weekend to rediscover your favorite haunts and to explore some new ones.

One of the best parts of my job as president is getting the opportunity to meet and engage with alumnae—either on the road or here on campus. I have learned how exceptionally loyal Wellesley alumnae are to their alma mater, and I'm so pleased that you could join us for your reunion this year. Throughout the weekend, I hope you will share many stories with me about your time as a student and also your experiences since graduating. I always enjoy learning about the ways in which the College has—and has not—changed over the years. I look forward to sharing with you my thoughts and reflections on the Wellesley of today, and giving you a glimpse into the future of your beloved alma mater.

I hope you enjoy your time on campus, and I look forward to getting to know you a little better this weekend.

Sincerely,

A handwritten signature in blue ink, appearing to read 'H. Kim Bottomly', with a large, stylized flourish at the end.

H. Kim Bottomly

WELCOME TO REUNION!

June 2012

Dear Alumna:

The Alumnae Association's mission, to connect alumnae to the College and to each other, is fully realized at reunion. We are thrilled to welcome you back to campus!

Whether this reunion is your first or you are celebrating the 80 years since you graduated, we hope you reconnect with all that is Wellesley. We have a wide range of programs for you: from stimulating faculty lectures to in-depth tours; from yoga to a walk (or run!) around the lake; from Stepsinging to a variety of open houses. Whether you participate in our programs or simply enjoy the beauty of our campus and deepen long-standing friendships, this weekend offers many ways for you to celebrate.

When you arrive on campus, you'll notice a few changes. Two years ago, we opened the doors of the newly renovated and LEED-certified Diana Chapman Walsh Alumnae Hall, a project led by an alumna, Ann Beha '72. On the east side of campus, the Whitin Observatory has been renovated and is sharing the expanded space with the Geosciences Department. We hope you have time to visit both of these places. In addition, we hope you will notice an expansion of our green initiatives (such as the water bottles all attendees receive) as we strive to reduce the carbon footprint of reunion. Please join us in these efforts.

Reunion would not be possible without the hard work, commitment, and enthusiasm of your class volunteers. The Alumnae Association Board of Directors and I extend our deepest thanks to all these dedicated individuals. I ask that you please thank them as well for their dedication to bringing you and your classmates together for this special weekend.

It's going to be a wonderful weekend, and we look forward to greeting you at the Association's annual meeting in Alumnae Hall on Sunday morning following the inspirational Alumnae Parade!

Sincerely,

A handwritten signature in blue ink that reads "Karen Gentleman '77". The signature is fluid and cursive, with the year "'77" written at the end.

Karen Gentleman '77, President
Wellesley College Alumnae Association

FACULTY LECTURE: "*Furens quid femina possit:*" *Stéphanie-Félicité de Genlis, Woman Literary Historian, and her Male Critics*

Vicki E. Mistacco, Professor of French

One of the most important compendia of French women writers of the early nineteenth century, Stéphanie-Félicité de Genlis's *On the Influence of Women on Literature as Patrons of Letters and as Authors; or, Summary of the History of the Most Celebrated French Women (De l'influence des femmes sur la littérature comme protectrices des lettres et comme auteurs; ou, Précis de l'histoire des femmes françaises les plus célèbres, 1811)* was and remains a controversial book. It was born of a quarrel with Michaud's *Universal Biography (Biographie universelle)* to which Genlis had been asked to contribute articles on women writers. In her *Critical Examination (Examen critique)* and elsewhere, she pursued her attacks on the authors of the *Universal Biography*, and they and many other male critics reciprocated vehemently in reviews and even entire books. What was at stake in this controversy? What prompted one detractor to choose this epigraph from Virgil's *Aeneid* for his brochure against her book: "*Furens quid femina possit*" ("What a furious woman is able to do")?

MISSION STATEMENT

The mission of the Wellesley College Alumnae Association is to further the interests of Wellesley College and its alumnae by connecting alumnae to the College and to each other, in support of the College's institutional priorities. The Association serves as a lifelong resource to alumnae and encourages alumnae to contribute to the continued excellence of the College.

THE ASSOCIATION'S RELATIONSHIP TO THE COLLEGE

The Association is an independent, self-governing organization created by the alumnae of Wellesley College in 1880. It maintains substantial representation on the board of trustees of the College, with four alumnae trustees, a young alumnae trustee, and the president of the Association, who serves *ex officio* and with vote. On administrative and programming fronts, Association volunteers and staff work closely with the Office of Admission, Center for Work and Service, Office for Resources, President's Office, and other College offices.

In 1952, during the 75th Anniversary Fund campaign, the Alumnae Association board and the board of trustees began to rethink the fundraising role of the Association. The decision was made to change the Association's mission, and since then, all fundraising for the College has come through the Office for Resources. The Alumnae Association and the Office for Resources continue to work closely and have a strong partnership as we serve these distinct roles.

2011–2012 ANNUAL REPORT OF PROGRAMS

PROGRAMS

A Day to Make a Difference: Hundreds of alumnae around the world took part in community-service projects through their clubs and as individuals for our ninth annual A Day to Make a Difference which we host in partnership with the Center for Work and Service (CWS). This tradition of rededication to our college motto has struck a deep chord with alumnae around the globe.

Alumnae Leadership Council (ALC): ALC annually hosts class, club, and reunion volunteers for training and inspiration. In addition, in 2011, ALC was expanded to support volunteers from shared interest groups (SIGs). SIGs give alumnae the opportunity to connect with each other and the College based on a common activity, purpose, background, or interest. Councilors at ALC 2011 learned the specifics of their volunteer roles and heard firsthand about current College programs, priorities and accomplishments from both students and the College's senior management.

Faculty Speaker Program: This year, the Alumnae Association sponsored over 50 faculty speaker programs with our clubs, including six international connections, enhancing our alumnae's lifelong intellectual connection to the College and their understanding of life at Wellesley today.

Reunion: For reunion 2012, we are excited to offer our wonderful faculty lectures and tours of campus sites. Over 2,500 alumnae and friends are returning to Wellesley to reminisce and be intellectually refreshed.

AWARDS

Alumnae Achievement Awards: The 2012 Alumnae Achievement Awards were presented to Susan McGee Bailey '63, champion for gender equity, collaborative leader; Wendy Gillespie '72, early music virtuosa, inspirational teacher; and Mary Jeanne Kreek '58, physician-scientist, pioneer in addiction research, in a ceremony held in Diana Chapman Walsh Alumnae Hall before an audience of alumnae, students, staff, faculty, and friends.

2011–2012 ANNUAL REPORT OF SERVICES

SERVICES

Admission: Alumnae volunteers supported the admission efforts of the College by presenting more than 1,300 book awards to high school juniors and interviewing more than 700 prospective students in the fall of 2011.

Online Services: Check out our website today at www.wellesley.edu/Alum. Online services provided by the Alumnae Association include an online directory, Discussions, @alum.wellesley.edu email forwarding, Class E-Notes, and more. These services offer alumnae a variety of ways in which to share and connect with other alumnae virtually. In addition to the community features, the Association website also offers opportunities for lifelong learning, lets you browse the profiles of the Alumnae Achievement Award recipients, connects you to the online version of Wellesley magazine, serves as a resource to thousands of alumnae volunteers, connects alumnae to their class and local club sites, and provides information about benefits and services for all alumnae.

Wellesley magazine: Our award-winning alumnae magazine continues to provide an exceptional resource to alumnae around the world as it connects us with one another and with activities at the College. It is published quarterly and is also available online at www.wellesley.edu/magazine. Follow us on Facebook and Twitter.

TO ALMA MATER

Lyrics by:
Anne Barrett Hughes,
Class of 1886

Arranged by:
Flora Smeallie Ward,
Class of 1886
from the German air The Mountain Maiden

To Alma Mater, Wellesley's daughters,
All together join and sing,
Thro' all her wealth of wood and waters,
Let your happy voices ring

In ev'ry changing mood we love her,
Love her tow'rs and woods and lake,
Oh, changeful sky, bend blue above her!
Wake, ye birds, your chorus wake!

We'll sing her praises now and ever,
Blessed fount of truth and love,
Our heart's devotion, may it never
Faithless or unworthy prove

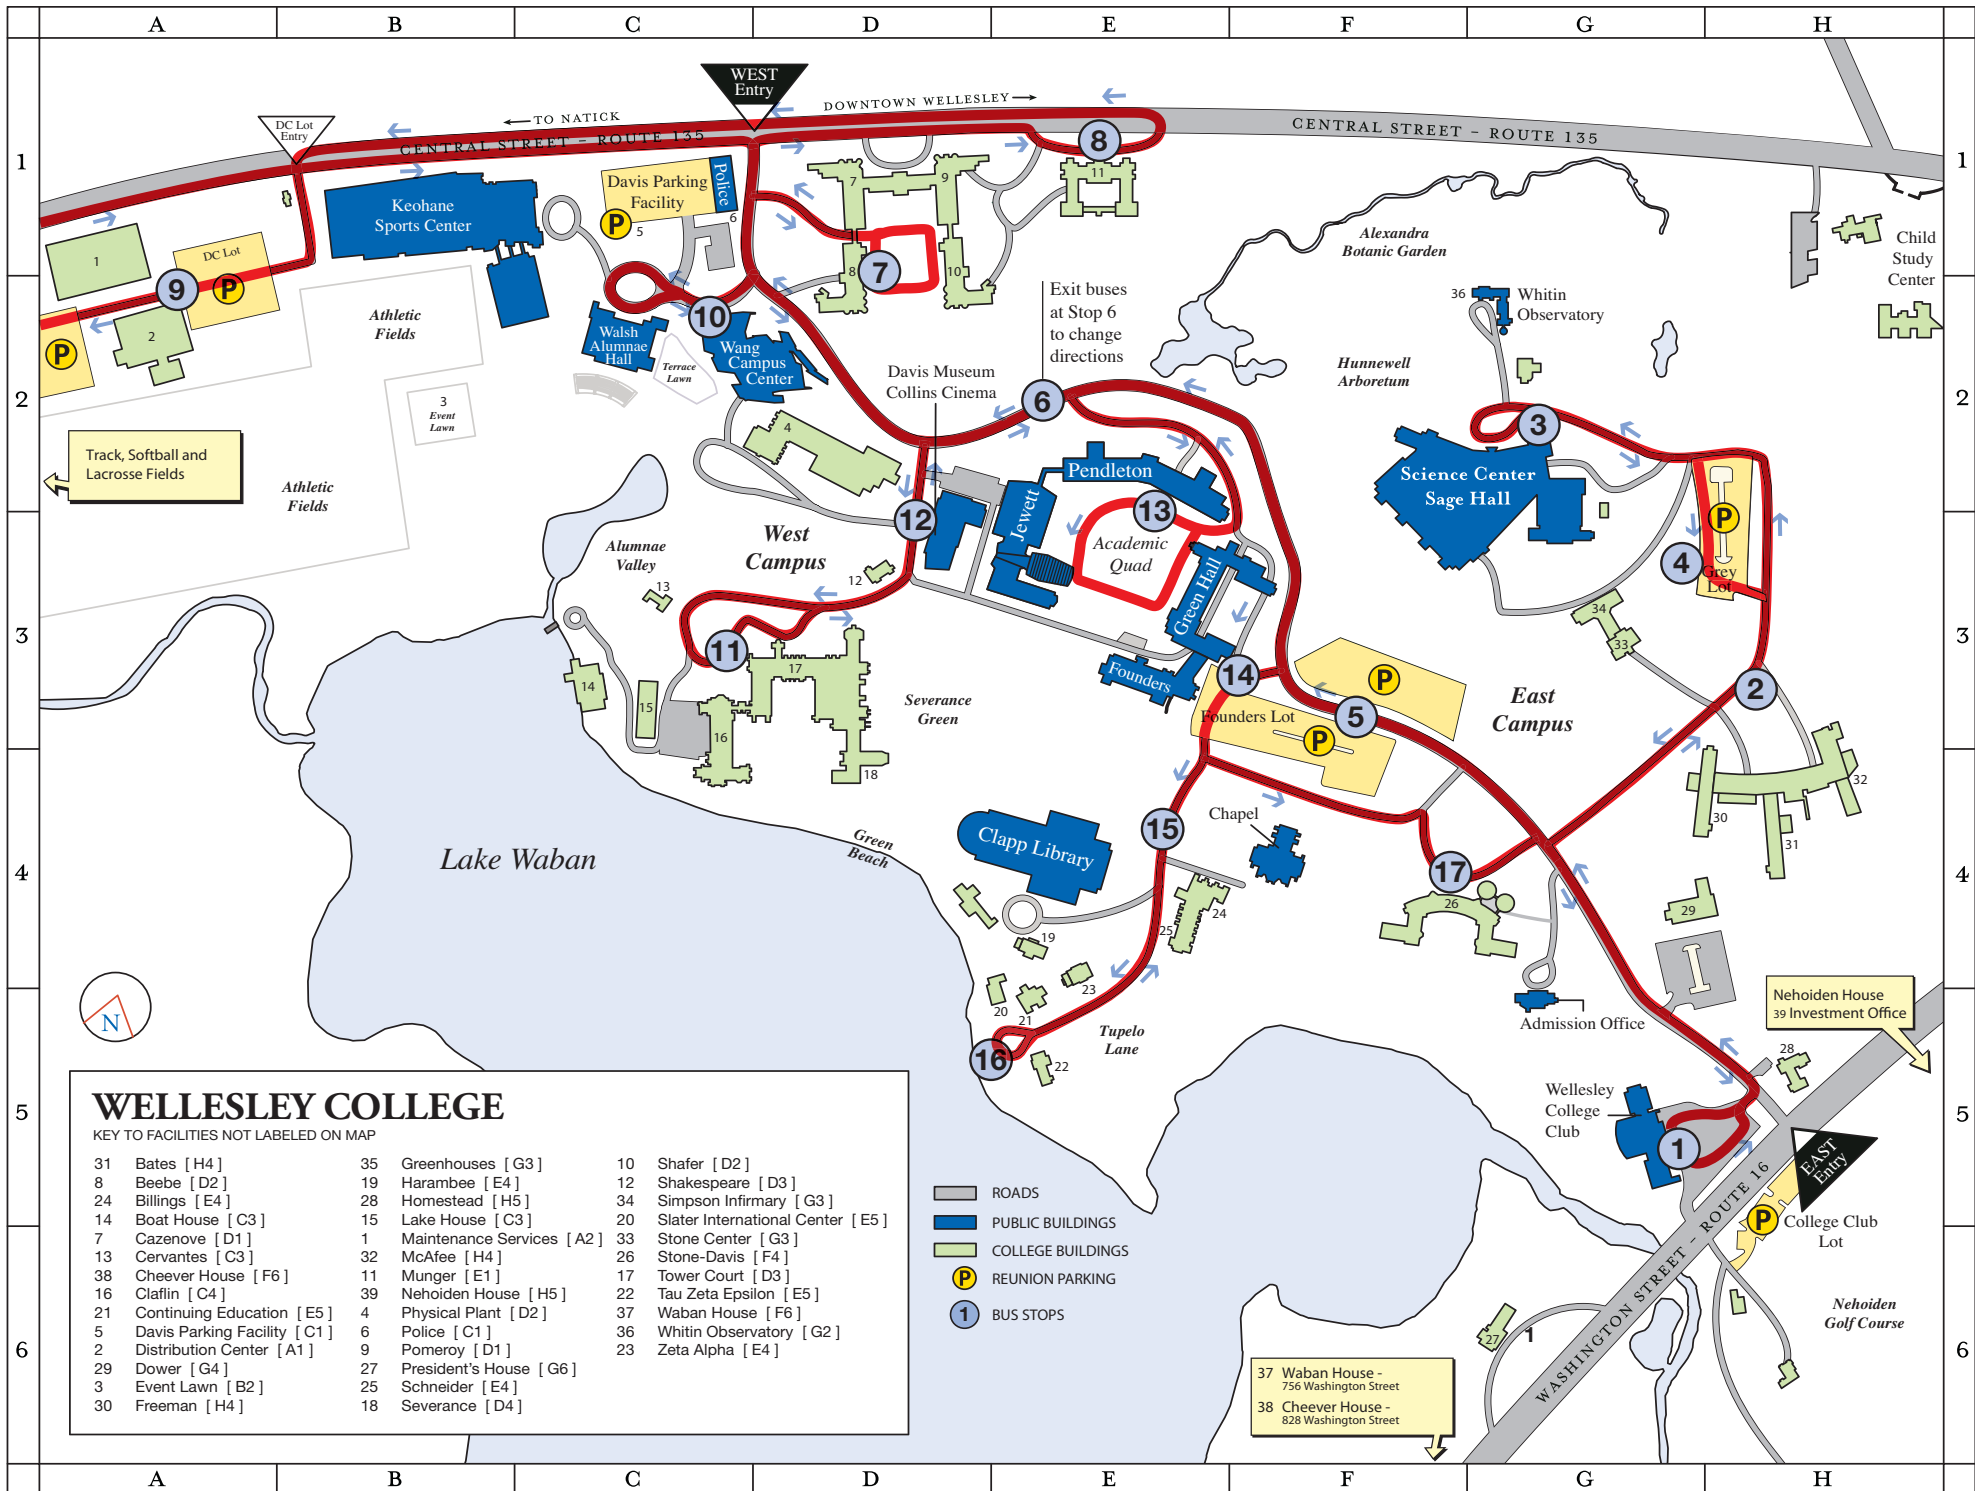

We'll give our lives and hopes to serve her,
Humblest, highest, noblest all,
A stainless name we will preserve her,
Answer to her ev'ry call

To minimize reunion's environmental impact, emissions from the electricity used to manufacture the paper for this entire book are offset with credits from Green-e certified windpower credits. This piece is printed on Mohawk Options 100% PC White Smooth 70# Text and 80# Cover.
