ACKNOWLEDGMENTS

Reunion weekend is sponsored by the Wellesley College Alumnae Association, but it represents a collaborative and coordinated effort on the part of the Alumnae Association and the College. We would like to thank everyone involved in making Reunion possible—we simply could not host this event without them. Our profound gratitude goes to the faculty and staff who have generously given their time to enrich the Reunion program. In addition, the Alumnae Association is indebted to the hundreds of alumnae volunteers who deliver programs and activities with generous contributions of their time, talent, leadership, and expertise every year.

June 2016

Dear Alumna,

Welcome to Reunion! It is wonderful to have you and so many other alumnae and friends on campus.

Our alumnae are our most cherished asset and have been one of the best parts of my job as president. Having the opportunity to meet and engage with all of you has inspired me and regularly refreshed my commitment throughout my tenure at Wellesley. I am very glad I have one more chance to spend a few days with you before I conclude my presidency later this month.

This weekend, I invite you to strengthen old friendships and create new ones. I also encourage you to rediscover your favorite spots on campus. As you walk past Lake Waban and across Severance Green, I know that being at Wellesley will rekindle those magic memories of your time here as a student.

Again, welcome home! It is marvelous to have you back on campus and I hope you enjoy this Reunion Weekend.

Sincerely,

H. Kim Bottomly
Dear Alumna:

On behalf of the Wellesley College Alumnae Association (WCAA), I am thrilled to welcome you back to campus!

The Alumnae Association’s mission—to connect alumnae to the College and to each other—is fully realized at Reunion. Whether you are celebrating your 5th or 75th, we hope you reconnect with all that is Wellesley. There is a wide range of programs planned for you: from stimulating faculty lectures to in-depth tours, from yoga to a walk (or run!) around the lake, from Stepsinging to a variety of open houses. And be sure to join us on Saturday afternoon for a very special, all-campus event featuring three College presidents.

We encourage you to take the time to visit some of the campus renewal initiatives that have been completed since your last Reunion. On the east side of campus, the Whitin Observatory has been renovated and is sharing the expanded space with the Geosciences Department. Other major renovations include Schneider Center, which now provides inviting space for several student services offices; the Field House, which includes a fabulous new fitness mezzanine; and the Butler Boathouse, re-opened last spring as a brighter, more accessible and more functional building. Pendleton West is currently under construction and slated for completion in January 2017.

We look forward to cheering with you on Sunday morning at our favorite and most inspirational Reunion event—Alumnae Parade! Afterwards, join us for the WCAA annual meeting, where we will celebrate class milestones and noted alumnae. The annual meeting will also afford us a special opportunity to hear from Kim Bottomly, in her last address to alumnae as President of the College.

Reunion would not be possible without the hard work, commitment, and enthusiasm of your class volunteers. The WCAA Board of Directors and I extend our heartfelt thanks to all of these dedicated alumnae. Please thank them for their hard work and dedication to bringing your class together for this special weekend.

Whether you participate in several programs or simply enjoy the beauty of our campus and deepen long-standing friendships, we hope you enjoy Reunion 2016. It’s going to be a wonderful weekend. We’re happy you’re here!

Sincerely,

Georgia Murphy Johnson ’75

New Neurons in Old Brains: Lessons from Crayfish and the Elephant in the Room
Barbara Beltz, Allene Lummis Russell Professor of Neuroscience
Science Center 278

New nerve cells are generated in the brains of many adult organisms, including humans. These adult-born neurons play a role in learning and memory, and a dysregulation in adult neurogenesis has been linked to several neurological diseases. The Beltz lab has been using a relatively simple model system, the crustacean brain, to explore fundamental mechanisms underlying adult neurogenesis. One of the most intriguing issues relates to the source of the stem cells that give rise to the adult-born neurons. Our evidence indicates that the precursor cells generating neurons in the adult crayfish brain come from the immune system. That is, blood makes brain! These findings challenge canonical views regarding the origins of neurons.

How Nagasaki was Transformed from the City of Anger to the City of Prayer: Takashi Paul Nagai: Radiologist, Atomic Bomb Victim and Pacifist
T. James Kodera, Professor, Religion Department
Founders 120

As the world faces the possibility of yet another world war, we reflect on the 20th century that began with a genocide and ended with another. Nuclear arsenals seem ready to be deployed around the world. Now is the time to look back to the end of the World War II and see how we might prevent the same outcome. We turn to Nagasaki, one of only two cities on which the “ultimate bomb” was dropped so far in human history. After Hiroshima, another city was targeted, but the inclement weather forced the target to be changed, to Nagasaki. Nagai was a radiologist, who was exposed to radiation when the bomb was dropped. In the six years that he lived after the exposure, he worked tirelessly in his bed, staring at the ceiling of his tiny house to make Nagasaki as the City of Prayer, from which he called for the end of wars. We consider as a catalyst his conversion to Roman Catholicism through his wife, who he had come from the “Clandestine Christian” community, going back to 1549. She perished on the day of the bombing. Takashi survived, if only for six years. Their two small children helped him with his pacifist work.

FACULTY LECTURE
Manipulation of Social Media during Elections
Panagiotis Metaxas, Professor of Computer Science
Pendleton East 239

An increasing number of Americans get their news from online social media (Facebook, Twitter, etc). These media can be manipulated by zealots and special interest groups who can
Michelle Obama stands among the most celebrated first ladies in history. However, she is subject to public representations that vacillate between timeworn racist stereotypes of black womanhood and a newer, more complicated representation: the uppity black superwoman. By examining the roots of these insults and stereotypes, we can better understand how Mrs. Obama's public statements and performances counteract racism and sexism, and chart a course for others who might follow in her footsteps.

FACULTY LECTURE
Reading with the Senses: Artists’ Books from Special Collections
Ruth Rogers, Special Collections
Special Collections, Clapp Library, Fourth Floor

As a genre, artists’ books are primarily viewed in terms of their non-traditional structures and materials, privileging them as “art” but isolating them from the central act of reading. Together, we will interrogate the books shown, to understand their effect upon the reader. Themes of time, space, movement, material presence, memory, language, and music will be explored, and their persistence long after the viewing is over. Whether consciously or not, we are asked to read and comprehend not by text alone, but with our senses.

Discussion will be led by Ruth Rogers, Curator of Special Collections, and June Milton Stobaugh, class of ’66, herself a collector of artists’ books.

Please note: Due to limited space in Special Collections, this talk is capped at 20 people per session. Arrive early!

THEATRE PRODUCTION

**Friday**, 7:00 PM
**Saturday**, 2:00 PM
**Sunday**, 2:00 PM

Diana Chapman Walsh Alumnae Hall, Ruth Nagel Jones Theatre

Wellesley Repertory Theatre presents **GOODNIGHT DESDEMONA (GOOD MORNING JULIET)** by Ann-Marie MacDonald, directed by Nora Hussey. In this exuberant comedy—an original revision of Shakespeare’s “Othello” and “Romeo and Juliet”—Constance Ledbelly, a drab and dusty academic, deciphers a cryptic manuscript she believes to be the original source for the tragedies, and is transported into the plays themselves. She visits Juliet and Desdemona, has a hand in saving them from the deaths the bard had planned for them, and finds out what these women are all about. In true Shakespearean spirit, Constance plunders the plays and creates something new, all the while engaging in a personal voyage of self-discovery. With an abundance of twists, fights, dances, seductions, and wild surprises, the play is an absolute joy of theatricality.

Reservations at 781.283.2000 are absolutely needed. Tickets are $20.00 for alumnae and their guests, $10.00 for those over 65.

WELLESLEY COLLEGE BOTANIC GARDENS

Margaret C. Ferguson Greenhouses and Wellesley College Botanic Gardens’ Visitor Center Hours

**Friday** and **Saturday**, 8:00 AM–5:00 PM

The Margaret C. Ferguson Greenhouse complex is home to an encyclopedic collection of plants from a wide range of climates, representing all regions of the world. The permanent collection emphasizes the diversity and adaptations of desert plants, epiphytes and ferns, and includes large numbers of subtropical, temperate and aquatic plants. Self-guided tour information and refreshments are available in the Creighton Room at the Visitor Center.

The 22 acres of the Hunnewell Arboretum and the Alexandra Botanic Garden, open from dawn to dusk, contain over 500 species of woody plants in 53 different plant families. The collection of specimen trees and shrubs provides spectacular flowering in the spring and a range of color in the autumn.

$10. All gifts to the College will count toward Reunion Class Gift totals and will also count toward The Wellesley Effect campaign.

MISSION STATEMENT

The Wellesley College Alumnae Association will further the interests of Wellesley College and its alumnae by connecting alumnae to Wellesley College and to each other. The Association will serve as a lifelong resource to alumnae and will encourage alumnae to contribute to the continued excellence of Wellesley College.

THE ASSOCIATION’S RELATIONSHIP TO THE COLLEGE

The Association is an independent, self-governing organization created by the alumnae of Wellesley College in 1880 and incorporated in 1916. It maintains substantial representation on the board of trustees of the College, with four alumnae trustees, a young alumnae trustee and the president of the Association, who serves ex officio and with vote. On administrative and programming fronts, Association volunteers and staff work closely with the Office of Admission, Center for Work and Service, Office for Resources, President’s Office and other College offices.

In 1952, during the 75th Anniversary Fund campaign, the Alumnae Association board and the College Board of Trustees began to rethink the fundraising role of the Association. The decision was made to change the Association’s mission, it was recognized as an independent 501(c)3 non-profit organization and, since then, all fundraising for the College has come through the Office for Resources. The Alumnae Association and the Office for Resources continue to work closely and have a strong partnership as we serve these distinct roles.

This tradition of rededication to our college motto has struck a deep chord with alumnae around the globe.

Admission:
Admission efforts are greatly supported by our alumnae clubs and individual volunteers. This past year, they conducted over 1,000 interviews, attended over 100 college fairs, and held receptions for admitted students and summer send-offs for incoming first years.

The Wellesley College Book Award Program:
The Book Award Program honors exceptional young women who have been top scholars in their high school class and have also distinguished themselves through their extracurricular activities and in their community. The award gives students a chance to learn more about Wellesley, especially if they are not already familiar with the college. This spring, 1,200 books were awarded and distributed by 60 of our U.S. alumnae clubs, 5 international clubs, and 10 individual alumnae volunteers.

Alumnae Achievement Awards:
The 2016 Alumnae Achievement Awards will be presented to Maria Morris Hambourg Barlow ’71, photography champion, preeminent art scholar and curator, Marian Burros ’51, transformational food and lifestyle journalist, and Debra Knopman ’75, engineer, complex problem solver and policymaker, in a ceremony in Diana Chapman Walsh Alumnae Hall before an audience of alumnae, students, staff, faculty, and friends on October 14, 2016.

Alumnae Leadership Council (ALC):
ALC annually hosts Class, Club, Shared Interest Group (SIG), and Reunion volunteers for training and inspiration. In addition, SIGs give alumnae the opportunity to connect with each other and the College based on a common activity, purpose, background, or interest. Councilors at ALC 2015 learned the specifics of their volunteer roles and heard firsthand about current College programs, priorities and accomplishments from both students and the College’s senior management.

Faculty Speaker Program:
This year, the Alumnae Association sponsored over 65 faculty speaker programs with our clubs, including 13 international connections, enhancing our alumnae’s lifelong intellectual connection to the College and their understanding of life at Wellesley today.

Memories Night:
A new tradition, Memories Night is a panel discussion with alumnae
from across the decades to discuss their time at Wellesley with current students. Students relish hearing how Wellesley has changed (or not!) over the past 60 years.

**My Wellesley Community:**
The WCAA’s online community launched in 2015: You can find it at www.alum.wellesley.edu. It’s a gateway to information from your class, local club, and other Wellesley connections you might have. Join in discussion groups, learn about events and products for sale, and maintain memberships. To take advantage of the community, you’ll need to activate your Wellesley Login (visit www.wellesley.edu/alumnae/wellesleylogin for more information). Once you’re in the community, check out your profile and make sure your information is up to date. You can also upload a photo of yourself. Your Wellesley Login will allow you to search for classmates and other alumnae in the online directory.

**Reunion:**
For Reunion 2016, we are excited to offer our wonderful faculty lectures and tours of campus sites. Nearly 3,000 alumnae and friends are returning to Wellesley to reminisce and be intellectually refreshed.

**Stepsinging:**
Twice a year students are given songbooks and assemble by classes to try to out-sing and out-cheer the other classes. Dressed in their respective class colors—red, yellow, purple, and green—students rally behind the elected songmistresses for each class.

**Thanksgiving Match:**
The Alumnae Association, in partnership with Slater International, connects Wellesley students with members of the Wellesley community for Thanksgiving. The program gives students whose own families are far away a chance to get off campus, and enjoy a family setting and a home-cooked meal.

**Wellesley magazine:**
Our award-winning alumnae magazine continues to provide an exceptional resource to alumnae around the world as it connects us with one another and with activities at the College. It is published quarterly and is also available online at magazine.wellesley.edu. Follow us on Facebook and Twitter: @wellesleymag.

Singing of “To Alma Mater” and Wellesley College Class Cheer
Leslie Meyer Holmes ’58
TO ALMA MATER

LYRICS BY:
Anne Barrett Hughes,
*Class of 1886*

ARRANGED BY:
Flora Smeallie Ward,
*Class of 1886*

FROM THE GERMAN AIR THE MOUNTAIN MAIDEN

To Alma Mater, Wellesley’s daughters,
    All together join and sing,
Tho’ all her wealth of wood and waters,
    Let your happy voices ring

In ev’ry changing mood we love her,
Love her tow’rs and woods and lake,
Oh, changeful sky, bend blue above her!
    Wake, ye birds, your chorus wake!

We’ll sing her praises now and ever,
Blessed fount of truth and love,
Our heart’s devotion, may it never
    Faithless or unworthy prove

We’ll give our lives and hopes to serve her,
Humblest, highest, noblest all,
A stainless name we will preserve her,
    Answer to her ev’ry call
THE WELLESLEY CHEER

*Fast and energetically*

Composed by:
May Sleeper Ruggles, Class of 1886

Tra la la la, tra la la la, tra la la la, la la la, W-E-L-

*To be sung briskly, no slower than metronome 84; there ought to be no pause before the eighth measure.
