Are you returning from STUDY ABROAD?  
Coming BACK FROM A LEAVE?  
A new TRANSFER student?

“We shall not cease from exploration,  
and the end of all our exploring  
will be to arrive where we started  
and know the place for the first time.”  
– T.S. Elliot

Come meet and connect with peers who are facing similar transitions!

Returning to Wellesley might be even more difficult than it was to leave. In your time away, you have undoubtedly changed, and so have your classmates. Many students who are returning feel alone in this process, as well as students who are completely new to the College. It is often hard to make connections during the middle of the year when many friendship bonds have already been established. This group will provide space for you to explore these themes while connecting with peers and with yourself.
