April 10, 2015

Dear Senior,

I want to offer my congratulations and wish you well during this busy and exciting time in your life. The remaining weeks of this spring semester will go by faster than you can imagine. I hope you will take the opportunity to reflect on your time at Wellesley. What has been most special about your experience? What professor or class has been most influential? You have left your mark on this campus, but how has this campus left its imprint on you?

I am looking forward to Commencement on May 29. The ceremony marks the end of your time as a student at Wellesley, and it celebrates the beginning of the next phase of your life. It is a marvelous occasion for you and your family. It is also a wonderful moment for the Wellesley College community as we celebrate the Class of 2015 and all of your accomplishments.

I hope you will find this information booklet helpful as you and your family plan for Commencement. For all Commencement-related questions, please contact Sarah Willis, Events Manager: 781-283-2375 or commencement@wellesley.edu.

Again, I wish you all the best in your last semester as a student at Wellesley.

Sincerely,

H. Kim Bottomly
President

COMMENCEMENT CEREMONY

The Commencement ceremony will be held on Friday, May 29th at 10:30 a.m. on the Academic Quad Lawn. Tickets for our outdoor ceremony will not be required. There will be adequate seating to accommodate your guests, or they may view the ceremony in air-conditioned venues on the College cable television network in Jewett Auditorium, Collins Cinema, and Pendleton Hall. For family and friends who cannot travel to Wellesley, join us via live webstream to view the Commencement ceremony.

WEATHER

Please take into consideration the ever-changing nature of New England weather. The Commencement ceremony on the Academic Quad Lawn will continue rain or shine. In the event of rain, please bring umbrellas and/or raincoats and be prepared to wear appropriate shoes and clothing. We also recommend bringing your own reusable water bottle to help reduce the use of disposable plastic bottles. There will be water stations set up at Commencement. This is particularly helpful in the case of a very warm day. If the weather forecast calls for unsafe weather, we will implement the Extreme Weather Commencement Plan. Please see plan enclosed.

SAFETY

Commencement attendees are respectfully discouraged from bringing large bags, luggage, backpacks, and other large containers to any Commencement activities. Please know that all such bags and containers are subject to search. Attendees are also asked not to leave personal property unattended while attending Commencement.

PARKING

Parking for the general public is available at several locations around campus and will be marked. Once you have arrived on campus, Parking Attendants will be available along College Road. There will be a designated parking area provided for guests who have mobility impairments and are driving themselves and have requested special parking in advance. Please see information enclosed on Disability Services during Commencement.

COMMENCEMENT PHOTOGRAPHS

Professional vendors will photograph each student as she receives her degree and take a panoramic photo of the senior class. Links to the company website for more information are on the Commencement webpages. You are not under any obligation to purchase the photographs.
