THE HARVARD PILGRIM PPO PLAN  
*MASSACHUSETTS*

# INTRODUCTION

Welcome to The Harvard Pilgrim PPO Plan (the Plan) offered by Harvard Pilgrim Health Care, Inc. and thank you for choosing us to help meet your health care needs.

When we use the words “we,” “us,” and “our” in this Handbook, we are referring to Harvard Pilgrim Health Care (HPHC). When we use the words “you” or “your” we are referring to Members as defined in the Glossary.

To use the Plan effectively, you will want to review this Handbook and the Schedule of Benefits, which describe your In-Network, and Out-of-Network benefits. This Plan has been designed to offer you the flexibility of obtaining Covered Benefits through the Plan’s network of Plan Providers or the Non-Plan Provider of your choice. Benefits are covered both In-Network and Out-of-Network. However, in most cases, your In-Network benefits provide you with a higher level of coverage. In addition, when you use In-Network benefits you will never be responsible for charges in excess of the Usual, Customary, and Reasonable Charge for the service.

All In-Network care must be provided by the Plan’s network of Plan Providers, except in a Medical Emergency.

If you choose to receive Covered Benefits from a provider or at a facility which is not a Plan Provider, your benefits will be covered at the Out-of-Network level.

Some benefits have limits on the amount of coverage provided in a calendar year. If a Covered Benefit has a benefit limit, your In-Network and Out-of-Network services are usually combined and count against each other to reach your benefit limit. Please see your Schedule of Benefits for detailed information regarding benefit limits on your coverage.

When you enroll, you receive the covered health care services described in this Handbook, the Schedule of Benefits, the Prescription Drug Brochure (if applicable) and any riders or amendments to those documents.

The Massachusetts Managed Care Reform Law requires disclosure of premium information and information concerning HPHC’s voluntary and involuntary disenrollment rate. This information will be sent to you in a separate letter. Please keep that letter with this Handbook for your records.

As a Member, you can take advantage of a wide range of helpful online tools and resources. For instance, **HPHConnect** offers you a secure place to help manage your health care. You are able to check your Schedule of Benefits and Benefit Handbook, review prescription drug and medical claim histories, compare hospitals and much more! For details on how to register for an **HPHConnect** account, log on to **[www.harvardpilgrim.org](http://www.harvardpilgrim.org)**.

# I. How the Plan Works

This section describes how to use your Benefit Handbook and how your coverage works under the The Harvard Pilgrim PPO Plan (the Plan). The Plan provides you with two levels of benefits known as In-Network coverage and Out-of-Network coverage. You receive In-Network coverage when you obtain Covered Benefits from Providers participating in the Plan. These Providers are referred to as “Plan Providers” and they have agreed to accept our payment minus the Member Cost Sharing as payment in full. There are certain specialized services that must be received at designated Plan Providers, called “Centers of Excellence” to receive In-Network coverage. Please see section *I.D.4. Centers of Excellence* for further information.

You receive Out-of-Network coverage when you obtain Covered Benefits from Non-Plan Providers. The Plan does not have agreements or contracts with these Providers. We pay a percentage of the cost of care you receive from Non-Plan Providers, up to the Usual, Customary and Reasonable Charge for the service. If a Non-Plan Provider charges any amount in excess of the Usual, Customary and Reasonable Charge, you are responsible for the excess amount. Your In-Network and Out-of-Network coverage is described further below.

## A. HOW TO USE THIS BENEFIT HANDBOOK

---

### 1. Why This Benefit Handbook Is Important

This Benefit Handbook, the Schedule of Benefits, the Prescription Drug Brochure (if your Plan includes outpatient pharmacy coverage) and any applicable riders and amendments (collectively referred to as the Evidence of Coverage) make up the legal agreement stating the terms of the Plan. This document also incorporates by reference an Employer Agreement issued to your Employer, which includes information on Dependent eligibility. If you have any eligibility questions, we recommend that you see your Employer for information.

The Benefit Handbook describes how your membership works. It's also your guide to the most important things you need to know, including:

- How to obtain benefits with the lowest out-of-pocket expense
- Covered Benefits
- Exclusions

- The requirements for In-Network and Out-of-Network coverage

You can view your Benefit Handbook, Schedule of Benefits, Prescription Drug Brochure (if your Plan includes outpatient pharmacy coverage) and any applicable riders and amendments online by using **HPHConnect** at **www.harvardpilgrim.org**.

### 2. Words With Special Meaning

Some words in this Handbook have a special meaning. These words are capitalized and are defined in the *Glossary*.

### 3. How To Find What You Need To Know

This Handbook's Table of Contents will help you find the information you need. The following is a description of some of the important sections of the Handbook.

We put the most important information first. For example, this section explains important requirements for coverage. By understanding Plan rules, you can avoid denials of coverage.

Benefit details are described in section *III. Covered Benefits* and are in the same order as in your Schedule of Benefits. You must review section *III. Covered Benefits* and your Schedule of Benefits for a complete understanding of your benefits.

The Handbook provides detailed information on how to appeal a denial of coverage or file a complaint. This information is in section *VI. Appeals and Complaints*.

## B. HOW TO USE YOUR PROVIDER DIRECTORY

---

The Provider Directory lists the Plan Providers you may use to obtain In-Network Benefits. You may view the Provider Directory online at our web site, **www.harvardpilgrim.org**. You can also get a paper copy of the Provider Directory, free of charge, by calling the Member Services Department at **1-888-333-4742**.

The online Provider Directory enables you to search for providers by name, gender, specialty, hospital affiliations, languages spoken and office locations. You can also obtain information about whether a provider is accepting new patients. Since it is frequently updated, the information in the online directory will be more current than the paper directory.

The online Provider Directory provides links to several physician profiling sites including one maintained

by the Commonwealth of Massachusetts Board of Registration in Medicine at [www.massmedboard.org](http://www.massmedboard.org).

**Please Note:** The physicians and other medical professionals in the Plan's provider network participate through contractual arrangements that can be terminated either by a provider or by us. In addition, a provider may leave the network because of retirement, relocation or other reasons. This means that we cannot guarantee that the physician you choose will continue to participate in the network for the duration of your membership.

## C. MEMBER OBLIGATIONS

---

### 1. Show Your Identification Card

You should show your identification (ID) card every time you request health services. If you do not show your ID card, the Provider may not bill us for Covered Benefits, and you may be responsible for the cost of the service. You can order a new ID card online by using **HPHConnect** at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or by calling the Member Services Department.

### 2. Share Costs

You are required to share the cost of Covered Benefits provided under the Plan. Your Member Cost Sharing may include one or more of the following:

- Copayments
- Coinsurance
- Deductibles

Your Plan may also have an Out-of-Pocket Maximum that limits the amount of Member Cost Sharing you may be required to pay. Your specific Member Cost Sharing responsibilities are listed in your Schedule of Benefits. See the *Glossary* for more information on Copayments, Coinsurance, Deductibles and Out-of-Pocket Maximums.

### 3. Obtain Prior Approval

You are required to notify us or obtain Prior Approval before receiving certain Covered Benefits from a Non-Plan Provider. For In-Network medical benefits a Plan Provider will do this for you. Please see section *I.F. NOTIFICATION AND PRIOR APPROVAL* for more information on these requirements.

To provide notification or obtain Prior Approval for Out-of-Network medical services you should call: **1-800-708-4414**.

To provide notification or obtain Prior Approval for Out-of-Network mental health and drug and alcohol

rehabilitation services you should call the Behavioral Health Access Center at **1-888-777-4742**.

You do not need to provide advance notification or obtain Prior Approval if services are needed in a Medical Emergency.

### 4. Be Aware that your Plan Does Not Pay for All Health Services

There may be health products or services you need that are not covered by the Plan. Please review section *IV. Exclusions* for more information. In addition, some services that are covered by the Plan are limited. Such limitations are needed to maintain reasonable premium rates for all Members. Please see your Schedule of Benefits for any specific limits that apply to your Plan.

## D. HOW TO OBTAIN CARE

---

### IMPORTANT POINTS TO REMEMBER

- 1) The Plan provides you with two levels of benefits known as In-Network benefits and Out-of-Network benefits.
- 2) In-Network benefits are available for Covered Benefits received from Plan Providers.
- 3) Plan Providers are providers that are under contract with HPHC to provide services to Members.
- 4) Out-of-Network benefits are available for Covered Benefits received from Non-Plan Providers.
- 5) Some services require Prior Approval by the Plan.
- 6) In the event of a Medical Emergency, you should go to the nearest emergency facility or call 911 or other local emergency number.

The Plan offers two different levels of coverage, referred to in this Handbook as "In-Network" and "Out-of-Network" benefits.

### 1. How Your In-Network Benefits Work

In-Network benefits are available when you receive Covered Benefits from a Plan Provider. Your Member Cost Sharing is generally lower for In-Network benefits. In-Network coverage applies to Plan Providers in Massachusetts, Maine, New Hampshire and a large number of providers in HPHC's affiliated national network around the country. Since we pay Plan Providers directly, you do not have to file a claim when you use your In-Network benefits.

Plan Providers are under contract to provide Covered Benefits to Members of the Plan. They are listed in the Plan Provider Directory. Although every effort is made to keep the Provider Directory up-to-date, changes may occur for a variety of reasons. Members should contact the Member Services Department at **1-888-333-4742** to verify a Provider's status. Members are responsible for advising Providers of their membership in the Plan by showing them their identification card before receiving services.

**Please Note:** There are certain specialized services that must be received at designated Plan Providers, called "Centers of Excellence" to receive In-Network coverage. Please see section *I.D.4. Centers of Excellence* for further information.

## 2. How Your Out-of-Network Benefits Work

Out-of-Network Benefits are available when you receive Covered Benefits from Non-Plan Providers. The Plan pays only a percentage of the cost of Covered Benefits you receive from Non-Plan Providers. You are responsible for paying the balance. Your Member Cost Sharing is generally higher for Out-of-Network benefits. However, you have more flexibility in obtaining care and may go to the licensed health care professional of your choice.

When obtaining Out-of-Network benefits, some services require Prior Approval by the Plan. Please see section *I.F. NOTIFICATION AND PRIOR APPROVAL* for information on the Prior Approval Program.

To request Prior Approval, please call:

- **1-800-708-4414** for Medical Services
- **1-888-777-4742** for Mental Health and Drug and Alcohol Rehabilitation Services

Payments to Plan Providers are usually based on a contracted rate between us and the Plan Provider. Since we have no contract with Non-Plan Providers, there is no limit on what such providers can charge. You are responsible for any amount charged by a Non-Plan Provider in excess of the Usual, Customary and Reasonable Charge for the service.

## 3. Selecting a Plan Provider

To obtain In-Network benefits you must receive services from a Plan Provider. Your Out-of-Pocket costs will almost always be lower if you use your In-Network benefits by using a Plan Provider. Plan

Providers include a large number of specialists and health care institutions in Massachusetts and surrounding states. In addition, HPHC offers a large national network of Plan Providers across the United States. You may use the Harvard Pilgrim Provider Directory to find Plan Providers. The Provider Directory identifies the Plan's participating specialists, hospitals and other providers. It lists providers by state and town, specialty, and languages spoken. You may view the Provider Directory online at our web site, [www.harvardpilgrim.org](http://www.harvardpilgrim.org). You can also get a paper copy of the Provider Directory, free of charge, by calling the Member Services Department at **1-888-333-4742**.

If you have difficulty finding a Plan Provider who can provide the services you need, we will assist you. For help finding a medical provider, please call **1-888-333-4742**. For help finding a mental health or substance abuse provider, please call **1-888-777-4742**. If no Plan Provider has the expertise needed to meet your medical needs, we will assist you in finding an appropriate Non-Plan Provider.

**Please Note:** The physicians and other medical professionals in the Plan's provider network participate through contractual arrangements that can be terminated either by a provider or by us. In addition, a provider may leave the network because of retirement, relocation or other reasons. This means that we cannot guarantee that the physician you choose will continue to participate in the network for the duration of your membership.

## 4. Centers of Excellence

Certain specialized services are only covered at the In-Network benefit level when received from designated Plan Providers with special training, experience, facilities or protocols for the service. We refer to these Plan Providers as "Centers of Excellence." Centers of Excellence are selected by us based on the findings of recognized specialty organizations or government agencies such as Medicare.

In order to receive In-Network benefits for the following service, you must obtain care at a Plan Provider that has been designated as a Center of Excellence:

- Weight loss surgery (bariatric surgery)

**Important Notice:** If you choose to receive treatment for the above service at a facility other than a contracted Center of Excellence, coverage will be at the Out-of-Network benefit level. A list of Centers of Excellence may be found in the Provider Directory. The Provider Directory is available online at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or by calling our Member Services Department at 1-888-333-4742.

We may revise the list of services that must be received from a Center of Excellence upon 30 days' notice to Members. Services or procedures may be added to the list when we identify services in which significant improvements in the quality of care may be obtained through the use of selected providers. Services or procedures may be removed from the list if we determine that significant advantages in quality of care will no longer be obtained through the use of a specialized panel of providers.

### 5. Covered Benefits from Our Affiliated National Network of Providers

HPHC offers a comprehensive network of Plan Providers located in Massachusetts, New Hampshire or Maine. In addition, HPHC's national provider network allows Members to obtain In-Network benefits outside of those states. As of the issuance of this Handbook, the national network includes nearly 450,000 physicians and over 4,000 hospitals. To locate one of these Providers, log onto our website at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or call Member Services at 1-888-333-4742.

### 6. How to get Care After Hours

Either your doctor or a covering provider is available to direct your care 24-hours a day. Talk to your doctor to find out what arrangements are available for care after normal business hours. Some doctors may have covering physicians after hours and others may have extended office/clinic hours. In a Medical Emergency, you should go to the nearest emergency facility or call 911 or other local emergency number.

### 7. Medical Emergency Services

You always have coverage for care in a Medical Emergency, including an emergency mental health condition. In a Medical Emergency, you should go to the nearest emergency facility or call 911 or other local emergency number. You may obtain services from a physician, a hospital or a hospital emergency room. You are also covered for ambulance transportation to the nearest hospital that can provide the care you need. Your emergency room Member Cost Sharing is listed in your Schedule of Benefits. Please remember

that if you are hospitalized, you must call the Plan at 1-888-333-4742 within 48 hours or as soon as you can. This telephone number can also be found on your ID card. If notice of hospitalization is given to the Plan by an attending emergency physician no further notice is required. If notification is not received when the Member's condition permits it, the Member is responsible for the Penalty Payment.

## E. MEMBER COST SHARING

Below are descriptions of Member Cost Sharing that may apply when using Plan or Non-Plan Providers. Member Cost Sharing under your Plan may apply to services received In-Network, Out-of-Network or both. See your Schedule of Benefits for Cost Sharing details that are specific to your Plan.

### 1. Copayment

If the Covered Benefit you are receiving is subject to a Copayment, the Copayment is payable at the time of the visit or when billed by the provider. Copayment amounts are specified in your Schedule of Benefits.

### 2. Deductible

A Deductible is a specific dollar amount that is payable by the Member for Covered Benefits received each calendar year before any benefits subject to the Deductible are payable by the Plan. If a family Deductible applies, it is met when any combination of Members in a covered family incur expenses for services to which the Deductible applies. Deductible amounts are incurred on the date of service. You may have different Deductibles that apply to different Covered Benefits under your Plan. If a Deductible applies to your plan, it will be stated in the Schedule of Benefits.

Your Plan has both an individual Deductible and a family Deductible. However, please note that a family Deductible only applies if you have Family Coverage. Unless a family Deductible applies, you are responsible for the individual Deductible for Covered Benefits each calendar year. If you are a Member with Family Coverage, your Deductible can be satisfied in one of two ways:

- a. If a Member of a covered family meets an individual Deductible, then services for that Member that are subject to that Deductible are covered by the Plan for the remainder of the calendar year.
- b. If any number of Members in a covered family collectively meet the family Deductible, then all

Members of the covered family receive coverage for services subject to that Deductible for the remainder of the calendar year.

Once a Deductible is met, coverage by the Plan is subject to any other Member Cost Sharing that may apply.

If a Member changes to Family Coverage from Individual Coverage or to Individual Coverage from Family Coverage within a calendar year, expenses that Member incurred for Covered Benefits toward the Deductible under the prior coverage will apply toward the Deductible limit under their new coverage. If the previously incurred Deductible amount is greater than the new Deductible limit, the member or family will only be responsible for applicable Copayment or Coinsurance amounts listed in their Schedule of Benefits.

Some Plans include a Deductible Roll Over. A Deductible Rollover allows you to apply any Deductible amount incurred for Covered Benefits during the last three (3) months of a year toward the Deductible for the next year. In order for a Deductible Roll Over to apply, the Member (or Family) must have had continuous coverage under the Plan through the same Employer Group at the time the charges for the prior year were incurred. If a Deductible Roll Over applies, it will be stated in your Schedule of Benefits.

### 3. Coinsurance

After the appropriate Deductible amount is met, you may be responsible for paying a Coinsurance amount. In general higher Coinsurance amounts will apply to Out-of-Network services. Coinsurance amounts are listed in your Schedule of Benefits.

### 4. Out-of-Pocket Maximum

Your coverage may include an Out-of-Pocket Maximum. An Out-of-Pocket Maximum is the total amount of Copayments, Deductible or Coinsurance payments for which a Member or a family is responsible in a calendar year. Once the Out-of-Pocket Maximum has been reached, no further Copayment, Deductible or Coinsurance amounts will be payable by the Member and HPHC will pay 100% of the Allowable Amount for the remainder of the calendar year. Once the family Out-of-Pocket Maximum has been met in a calendar year, the Out-of-Pocket Maximum is deemed to have been met by all Members in a family for the remainder of the calendar year.

Certain expenses do not apply to the Out-of-Pocket Maximum. Please see your Schedule of Benefits for

Member Cost Sharing amounts that do not apply to the Out-of-Pocket maximum. In addition, Penalty amounts and charges above the Usual, Customary and Reasonable Charge never apply to the Out-of-Pocket maximum.

In most cases where an Out-of-Pocket Maximum is included in the Plan, you have both an individual Out-of-Pocket Maximum and a family Out-of-Pocket Maximum. If you are a Member with Family Coverage, your Out-of-Pocket Maximum can be reached in one of two ways:

- a. If a Member of a covered family meets an individual Out-of-Pocket Maximum, then that Member has no additional Member Cost Sharing for the remainder of the calendar year.
- b. If any number of Members in a covered family collectively meet the family Out-of-Pocket Maximum, then all Members of the covered family have no additional Member Cost Sharing for the remainder of the calendar year.

If a Member changes to Family Coverage from Individual Coverage or to Individual Coverage from Family Coverage within a calendar year, expenses that Member incurred for covered services toward the Out-of-Pocket Maximum under the prior coverage will apply toward the Out-of-Pocket Maximum limit under their new coverage. If the incurred Out-of-Pocket Maximum amount is greater than the new Out-of-Pocket Maximum limit, the Member will have no additional cost sharing for that calendar year.

### 5. Out-of-Network Charges in Excess of the Usual, Customary and Reasonable Charge

On occasion, a Non-Plan Provider may charge amounts in excess of the Usual, Customary and Reasonable Charges. In those instances, you will be financially responsible for the difference between what the Provider charges and the amount of the Usual, Customary and Reasonable Charge payable by the Plan. This means that you will be responsible for paying the full amount above the Usual, Customary and Reasonable Charge. Amounts charged by a Non-Plan Provider in excess of the Usual, Customary and Reasonable Charge do not count toward the Out-of-Pocket Maximum. You may contact the Member Services Department at **1-888-333-4742** or at **1-800-637-8257** for TTY service if you have questions about the maximum Allowable Amount that may be permitted by HPHC for a service.

### 6. Penalty

The amount that a Member is responsible to pay for certain Out-of-Network services when notification or

Prior Approval has not been received before obtaining the services. The Penalty charge is in addition to any Member Cost Sharing amounts. Penalty charges do not count towards any Out-of-Pocket Maximum. Please see section *I.F. NOTIFICATION AND PRIOR APPROVAL* for a detailed explanation of the Prior Approval program.

## 7. Combined Payment Levels

Under some circumstances you may receive services from both a Plan Provider and a Non-Plan Provider when obtaining care. When this occurs, your entitlement to In-Network or Out-of-Network coverage always depends upon the participation status of the individual service Provider. For example, you may receive treatment in a Plan Provider's office and receive associated blood work from a non-plan laboratory. Since the payment level is dependent upon the participation status of the Provider, the Plan Provider would be paid at the In-Network coverage level and the laboratory would be paid at the Out-of-Network coverage level.

The benefit payment level that is applied to a hospital admission depends on the participation status of both the admitting physician and the hospital. If a Plan Provider admits you to a participating hospital, both the hospital and physician are paid at the In-Network coverage level. If an Out-of-Network physician admits you to a participating hospital, the hospital's charges are paid at the In-Network coverage level but the physician's charges are paid at the Out-of-Network coverage level. Likewise if a Plan Provider admits you to a non-plan hospital, the hospital's charges are paid at the Out-of-Network coverage level but the physician's charges are paid at the In-Network coverage level. All Out-of-Network payments are limited to the Usual, Customary and Reasonable Charge.

## F. NOTIFICATION AND PRIOR APPROVAL

---

Members are required to notify HPHC before the start of any planned inpatient admission to a Non-Plan Medical Facility. A "Non-Plan Medical Facility" is any inpatient medical provider that is not under contract with us to provide care to members. Members are also required to obtain Prior Approval from HPHC before receiving certain services. This section explains when notification and Prior Approval are required and the procedures to follow to meet those requirements.

**Please Note:** Your doctor or hospital can provide notification or seek Prior Approval on your behalf.

Also, you do not need to provide advance notification or obtain Prior Approval if services are needed in a Medical Emergency.

### 1. Notification of Planned Inpatient Admissions

You must notify HPHC in advance of any planned inpatient admission to a Non-Plan Medical Facility. This requirement applies to admissions to all types of inpatient medical facilities, including hospitals, Skilled Nursing Facilities (SNFs) and rehabilitation hospitals. (For Non-Plan inpatient mental health and drug and alcohol rehabilitation services, please follow the Prior Approval process explained in the next section.)

To provide notification, you should contact HPHC at **1-800-708-4414** at least five (5) business days in advance of the admission. You do not need to provide advance notification to HPHC if you are hospitalized in a Medical Emergency. In the event of a Medical Emergency admission, you or your physician must notify HPHC within 48 hours or as soon as possible.

If either the hospital or admitting physician is a Non-Plan Provider, you are responsible for notifying HPHC. As noted above, providers may notify HPHC on your behalf.

### 3. How to Obtain Prior Approval

To seek Prior Approval for medical services received from a Non-Plan Provider, you should call **1-800-708-4414**. To seek Prior Approval for mental health and substance abuse services received from a Non-Plan Provider, you should call **1-888-777-4742**.

For inpatient admission to a Non-Plan Provider the following additional information must be given:

- The name and address of the facility where care will be received
- The admitting physician's name, address and telephone number
- The admitting diagnoses and date of admission
- The name of any procedure to be performed and the date it is expected to be performed

### 4. The Effect of Notification and Prior Approval on Coverage

If you provide notification or obtain Prior Approval the Plan will pay up to the full benefit limit stated in this Benefit Handbook and your Schedule of Benefits.

If you do not provide notification or obtain Prior Approval when required, you will receive coverage for services later determined to be Medically Necessary, but you will be responsible for paying the Penalty amount stated in the Schedule of Benefits in addition to any applicable Member Cost Sharing.

If HPHC determines at any point that a service is not Medically Necessary, no coverage will be provided for the services at issue, and you will be responsible for the entire cost of those services.

Neither notification nor Prior Approval entitle you to any benefits not otherwise payable under this Benefit Handbook or the Schedule of Benefits.

Please see section *X.L. UTILIZATION REVIEW PROCEDURES* for information on the time limits for Prior Approval decisions and reconsideration procedures for providers if coverage is denied. Please see Section *VI. Appeals and Complaints* for a description of your appeal rights if coverage for a service is denied by HPHC.

### 5. What Notification and Prior Approval Do

The notification and Prior Approval programs do different things depending upon the service in question. These may include:

- Assuring that the proposed service will be covered by the Plan and that benefits are being administered correctly.
- Consulting with providers to provide information and promote the appropriate delivery of care.
- Evaluating whether a service is Medically Necessary, including whether it is, and continues to be, provided in an appropriate setting.

If the Prior Approval program conducts a medical review of a service, you and your attending physician will be notified of HPHC's decision to approve or not to approve the care proposed. All decisions to deny a medical service will be reviewed by a physician (or, in the case of mental health and drug and alcohol rehabilitation services, a qualified clinician) in accordance with written clinical criteria. The relevant criteria will be made available to Providers and Members upon request.

If the Prior Approval program denies a coverage request, it will send you a written notice that explains the decision, your Provider's right to obtain reconsideration of the decision, and your appeal rights.

### G. SERVICES PROVIDED BY A DISENROLLED OR NON-PLAN PROVIDER

#### 1. Pregnancy

If you are a female Member in your second or third trimester of pregnancy and the Plan Provider you are seeing in connection with your pregnancy is involuntarily disenrolled, for reasons other than

fraud or quality of care, you may continue to receive In-Network coverage for services delivered by the disenrolled provider, under the terms of this Handbook and your Schedule of Benefits, for the period up to, and including, your first postpartum visit.

## 2. Terminal Illness

A Member with a terminal illness whose Plan Provider in connection with such illness is involuntarily disenrolled, for reasons other than fraud or quality of care, may continue to receive In-Network coverage for services delivered by the disenrolled provider, under the terms of this Handbook and the Schedule of Benefits, until the Member's death.

## 3. New Membership

If you are a new Member, we will provide In-Network coverage for services delivered by a physician or nurse practitioner who is not a Plan Provider, under the terms of this Handbook and your Schedule of Benefits, for up to 30 days from your effective date of coverage if:

- Your Employer only offers employees a choice of plans in which the physician or nurse practitioner is a Non-Plan Provider, and
- The physician or nurse practitioner is providing you with an ongoing course of treatment.

## 4. Conditions for Coverage of Services by a Disenrolled or Non-Plan Provider

Services received from a disenrolled or Non-Plan Provider as described in the paragraphs above, are only covered when the physician agrees to:

- Accept reimbursement from us at the rates applicable prior to notice of disenrollment (or, in the case of a new member, our applicable rate) as payment in full and not to impose Member Cost Sharing with respect to the Member in an amount that would exceed the Member Cost Sharing that could have been imposed if the provider had not been disenrolled;
- Adhere to the quality assurance standards of the Plan and to provide us with necessary medical information related to the care provided; and

- Adhere to our policies and procedures, including procedures regarding obtaining prior authorization and providing Covered Benefits pursuant to a treatment plan, if any, approved by us.

## H. CLINICAL REVIEW CRITERIA

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of our clinical review criteria applicable to a service or procedure for which coverage is requested. Clinical review criteria may be obtained by calling **1-888-888-4742 ext. 38723**.

## I. PROVIDER FEES FOR SPECIAL SERVICES (CONCIERGE SERVICES)

---

Certain physician practices charge extra fees for special services or amenities, in addition to the benefits covered by the Plan. Examples of such special physician services might include: telephone access to a physician 24-hours a day; waiting room amenities; assistance with transportation to medical appointments; guaranteed same day or next day appointments when not Medically Necessary; or providing a physician to accompany a patient to an appointment with a specialist. Such services are not covered by the Plan. The Plan does not cover fees for any service that is not included as a Covered Benefit under this Handbook or your Schedule of Benefits.

In considering arrangements with physicians for special services, you should understand exactly what services are to be provided and whether those services are worth the fee you must pay. For example, the Plan does not require Plan Providers to be available by telephone 24-hours a day. However, the Plan does require Plan Primary Care Providers (PCPs) to provide both an answering service that can be contacted 24-hours a day and prompt appointments when Medically Necessary.

## II. Glossary

This section lists words with special meaning within the Handbook.

**Activities of Daily Living** The basic functions of daily life include bathing, dressing, and mobility, including, but not limited to, transferring from bed to chair and back, walking, sleeping, eating, taking medications and using the toilet.

**Allowable Amount** The amount we pay for Covered Benefits. In most cases the Allowable Amount for In-Network benefits is the contracted rate the Plan has agreed to pay Plan Providers. The Allowable Amount for Out-of-Network benefits will not exceed the Usual, Customary and Reasonable Charges.

**Anniversary Date** The date agreed to by HPHC and your Employer Group upon which the yearly Employer Group premium rate is adjusted and benefit changes normally become effective. This Benefit Handbook, Schedule of Benefits, Prescription Drug Brochure (if applicable) and any applicable riders, and the Employer Group agreement will terminate unless renewed on the Anniversary Date.

✓ FOR EXAMPLE: If your Anniversary Date is January 1st, this is the date when the Plan goes into effect and begins to pay for Covered Benefits.

**Behavioral Health Access Center**  
The organization, designated by us, that is responsible for arranging for the provision of services for Members in need of mental health care (including the treatment of substance abuse disorders). Except in a Medical Emergency, you must call the Behavioral Health Access Center at 1-888-777-4742 before receiving such services. The telephone number is also listed on your ID card.

**Benefit Handbook (or Handbook)**  
This document that describes the terms and conditions of the Plan, including but not limited to, Covered Benefits and exclusions from coverage.

**Benefit Limit** The day, visit or dollar limit maximum that applies to certain Covered Benefits. Once the Benefit Limit has been reached, no more benefits will be paid for such services or supplies. If you exceed the Benefit Limit, you are responsible for all charges incurred. The Benefit Limits applicable to your Plan are listed in your Schedule of Benefits.

✓ FOR EXAMPLE: If your Plan offers 30 visits per calendar year for physical therapy services, once you reach your 30 visit limit for that calendar year, no additional benefits for that service will be covered by the Plan.

**Centers of Excellence** Certain specialized services are only covered as In-Network services when received from designated providers with special training, experience, facilities or protocols for the service. Centers of Excellence are selected by us based on the findings of recognized specialty organizations or government agencies such as Medicare.

**Coinsurance** A percentage of the Allowable Amount for certain Covered Benefits that must be paid by the Member. Coinsurance amounts are in addition to any Deductible and any applicable Copayment. Coinsurance amounts applicable to your Plan are stated in your Schedule of Benefits.

✓ FOR EXAMPLE: If the Coinsurance for a service is 20%, you pay 20% of the Allowable Amount while we pay the remaining 80%. (In the case of Out-of-Network services, we only pay up to the Usual, Customary and Reasonable Charge.)

**Copayment** A fixed dollar amount you must pay for certain Covered Benefits. The Copayment is usually due at the time of the visit or when you are billed by the provider. Copayment amounts

If a family Deductible applies, it is met when any combination of Members in a covered family incur expenses for services to which the Deductible applies in a calendar year. Deductible amounts are incurred on the date of service. If a Deductible applies to your plan, it will be stated in the Schedule of Benefits.

✓ FOR EXAMPLE: If your Plan has a \$500 Deductible and you have a claim with the Allowable Amount of \$1,000, you will be responsible for the first \$500 to satisfy your Deductible requirement before the Plan begins to pay benefits.

**Deductible Rollover** A Deductible Rollover allows you to apply any Deductible amount incurred for covered services during the last three (3) months of a calendar year toward

the Deductible for the next calendar year. To be eligible for a Deductible Rollover, a Member must have had continuous coverage with us through the same Employer Group at the time the prior calendar year charges were incurred. If your Plan has a Deductible Rollover it will be listed in your Schedule of Benefits.

**Dental Care** Any service provided by a licensed dentist involving the diagnosis or treatment of any disease, pain, injury, deformity or other condition of the human teeth, alveolar process, gums, jaw or associated structures of the mouth. In determining whether a service has been recognized

as safe or effective in accordance with generally accepted evidence-based medical standards, primary reliance will be placed upon data from published reports in authoritative medical or scientific publications that are subject to established peer review by qualified medical or scientific experts prior to publication. In the absence of any such reports, it will generally be determined a service, procedure, device or drug is not safe and effective for the use in question. (b) In the case of a drug, the drug has not been approved by the United States Food and Drug Administration (FDA). (This does not include off-label uses of FDA approved drugs). (c) For purposes of the treatment of infertility only, the service, procedure, drug or device has not been recognized as a "non-experimental infertility procedure" under the Massachusetts Infertility Benefit Regulations at 211 CMR Section 37.00 et. seq.

The term "clinical mental health discipline" includes the following: psychiatry; psychology; clinical social work; marriage and family therapy; clinical counseling; developmental psychology; pastoral counseling; psychiatric nursing; developmental or educational psychology; counselor education; or any other discipline deemed acceptable by HPHC.

With respect to a pregnant woman who is having contractions, Medical Emergency also means that there is inadequate time to effect a safe transfer to another hospital before delivery or that transfer may pose a threat to the health or safety of the woman or the unborn child.

Examples of Medical Emergencies are: heart attack or suspected heart attack, stroke, shock, major blood loss, choking, severe head trauma, loss of consciousness, seizures and convulsions.

**Out-of-Pocket Maximum** An Out-of-Pocket Maximum is a limit on the amount of Copayments, Coinsurance and Deductibles that you must pay for Covered Benefits in a calendar year. Some types of Member Cost Sharing may be excluded from your Out-of-Pocket Maximum. The Out-of-Pocket Maximum, if applicable

to your Plan, is specified in your Schedule of Benefits.

**Please Note:** Penalty payments and charges above the Usual, Reasonable and Customary Charge never apply to the Out-of-Pocket Maximum.

✓ **FOR EXAMPLE:** If your plan has an individual Out-of-Pocket Maximum of \$1,000, this is the most Member Cost Sharing you will pay for out-of-pocket costs for that calendar year. As an example, the Out-of-Pocket Maximum can be reached by the following: \$500 in Deductible expenses, \$400 in Coinsurance expenses and \$100 in Copayment expenses.

**Penalty** The amount that a Member is responsible to pay for certain Out-of-Network services when notification or Prior Approval has not been received before receiving the services. The Penalty charge is in addition to any Member Cost Sharing amounts. Please see section *I.F. NOTIFICATION AND PRIOR APPROVAL* for a detailed explanation of the Prior Approval program. A Penalty amount does not apply to an Out-of-Pocket Maximum, if any.

Physical Functional Impairments include, but are not limited to, problems with ambulation, communication, respiration, swallowing, vision, or skin integrity.

**Urgent Care** Medically Necessary services for a condition that requires prompt medical attention but is not a Medical Emergency. Urgent Care is usually care needed because of an unforeseen illness, injury or condition that occurs and does not give reasonable time to obtain care through your Provider.

**Usual, Customary and Reasonable Charge** An amount that is consistent, in the judgment of the Plan, with the normal range of charges by health care providers for the same, or similar, products or services provided to a Member. If the Plan has appropriate data for the area, the Plan will determine the normal range of charges in the geographical area where the product or services was provided to the Member. If the Plan does not have data to reasonably determine the normal range of charges where the products or services were provided, the Plan will utilize the normal range of charges in Boston, Massachusetts. Where services are provided by non-physicians but the data on provider charges available to the Plan is based on charges for services by physicians, the Plan will, in its discretion, make reasonable reductions in its determination of the allowable charge for such non-physician providers. The Usual, Customary and Reasonable charge is the maximum amount that we will pay for Covered Benefits minus any applicable Member Cost Sharing.

### III. Covered Benefits

This section describes all of the benefits available under the Plan. Not all benefits listed in this Handbook may apply to you. Please see your Schedule of Benefits for your specific Covered Benefits. If your Plan includes outpatient pharmacy coverage, that coverage is described in your Prescription Drug Brochure.

Some benefits have limits on the amount of coverage provided in a calendar year. If a Covered Benefit has a benefit limit, your In-Network or Out-of-Network benefits are combined and count toward your benefit limit. For example, if the Covered Benefit is limited to ten visits per calendar year and you receive nine visits In-Network and one visit Out-of-Network, then you have reached your benefit limit. That benefit will not be covered again until the next calendar year.

Member Cost Sharing information and any applicable benefit limitations that apply to your Plan are listed in your Schedule of Benefits. Benefits are administered on a calendar year basis.

The Plan does not impose any restrictions, limitations or exclusions related to preexisting conditions on your Covered Benefits.

#### Basic Requirements for Coverage

To be covered, all services and supplies must meet each of the following requirements. They must be:

- Listed as a Covered Benefit in this section.

If you are requesting reimbursement for services received while outside of the United States you must submit an International Claim Form. The form can be obtained online at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or by calling the Member Services Department. In addition to the International Claim Form you will need to submit an itemized bill and proof of payment. ### C. TIME LIMITS ON FILING CLAIMS

---

To be eligible for payment, we must receive claims within one year of the date care was received.

Failure to file claims in a timely manner as provided in this Section may result in denial of benefits.

Claims will be reviewed within 45 days of the receipt. If a claim cannot be paid within that time, HPHC will either inform the Member:

- a Of any additional documentation necessary for payment; or
- b That the claim is denied, in whole or in part, and the reasons for denial.

### D. PAYMENT LIMITS

---

We limit the amount we will pay for services that are not rendered by Plan Providers. The maximum amount we will pay for services by Non-Plan Providers

will be based on the Usual, Customary and Reasonable Charge. If a service is provided by a Non-Plan Provider, you are responsible for any amount in excess of the Usual, Customary and Reasonable Charge.

 FOR EXAMPLE: If the Usual, Customary and Reasonable Charge is \$1,000 and the applicable Member Cost Sharing for the service is 20% Coinsurance, the maximum amount we will pay is \$800.

### E. NOTICE OF CLAIM

---

The Member is not required to give notice to HPHC prior to the filing of a claim, except for the Prior Approval requirements applicable to certain services. Please see section *I.F. NOTIFICATION AND PRIOR APPROVAL* for more information.

### F. MISCELLANEOUS CLAIMS PROVISIONS

---

Benefits will be paid to the Member who received the services for which a claim is made unless such Member is a minor. In such case, benefits will be paid to the parent or custodian with whom the child resides. The Member may authorize HPHC to pay benefits directly to the health care provider whose charge is the basis for the claim.

HPHC will have the right to require that a Member for whom a claim is made be examined by a physician as often as may be reasonably necessary to determine HPHC's liability for the payment of benefits under this Handbook. HPHC will also have a right, where not prohibited by law, to have an autopsy performed. Any such examination or autopsy will be conducted by a licensed physician chosen by HPHC and at its expense.

Any payment by HPHC in accordance with the terms of this Handbook will discharge HPHC from all further liability to the extent of such payment.

## VI. Appeals and Complaints

This section explains our procedures for processing appeals and complaints and the options available if an appeal is denied.

### A. ABOUT OUR APPEAL AND COMPLAINT PROCEDURES

**What are “Appeals” and “Complaints”?** We divide grievances into two types, “appeals” and “complaints” as follows:

- An appeal may be filed whenever a Member is denied coverage. This includes either the denial of a health service sought by a Member or the denial of payment for a health service that a Member has received.
- A complaint may be filed when a Member seeks redress of any action taken by us or any aspect of our services, other than a denial of coverage for health services.

Both appeals and complaints should be filed at the addresses or telephone numbers listed in section VI.B. *HOW TO FILE AN APPEAL OR COMPLAINT.*

### B. HOW TO FILE AN APPEAL OR COMPLAINT

Any appeal or complaint may be filed in person, by mail, by fax or by telephone.

Appeals or complaints, other than those concerning mental health or drug and alcohol rehabilitation services, should be submitted to:

**HPHC Member Appeals  
Member Services Department  
1600 Crown Colony Drive  
Quincy, MA 02169  
1-888-333-4742  
Fax: 1-617-509-3085  
www.harvardpilgrim.org**

Appeals or complaints concerning mental health or drug and alcohol rehabilitation services should be submitted to:

**HPHC Behavioral Health Access Center  
c/o United Behavioral Health  
Appeals Department  
100 East Penn Square, Suite 400  
Philadelphia, PA 19107  
1-888-777-4742  
Fax: 1-888-881-7453**

#### 1. Member Representation

A Member’s authorized representative may file an appeal or complaint and participate in any part of the appeal or complaint process. Any notice referred to in this section will be provided to the Member or, upon request, the Member’s representative.

A Member’s representative may be the Member’s guardian, conservator, agent under a power of attorney, health care agent under a health care proxy, family member or any other person appointed in writing to represent the Member in a specific appeal or complaint. We may require documentation that a representative meets one of the above criteria.

#### 2. Time Limit for Filing Appeals

A request for informal inquiry or appeal must be filed within 180 days of the date a service, or payment for a service, when denied.

#### 3. Appeals Involving Medical Necessity Determinations

Special rights apply to appeals involving a medical necessity determinations. These appeals could involve a decision that a service (1) is not Medically Necessary, (2) is not being provided in an appropriate health care setting or level of care, (3) is not effective for treatment of the Member’s condition, or (4) is Experimental, Unproven or Investigational. These include the right to appeal to an external review organization under contract with the Office of Patient Protection of the Department of Public Health. The procedure for obtaining external review is summarized below in section VI.F. *WHAT YOU MAY DO IF YOUR APPEAL IS DENIED.*

#### 4. The Office of Patient Protection

The Office of Patient Protection of the Department of Public Health is the agency responsible for enforcing the Massachusetts laws concerning managed care grievance rights and for administering appeals to external review organizations. The Office of Patient Protection also enforces health care standards for managed care organizations, answers questions of consumers about managed care and monitors quality-related health insurance information relating to managed care practices. The Office of Patient Protection can be reached at:

**Department of Public Health  
Office of Patient Protection  
99 Chauncy Street  
Boston, MA 02111  
1-800-436-7757  
Fax: 1-617-624-5046**

### **5. Report on Appeals and Complaints**

We will file an annual report on appeals and complaints with the Office of Patient Protection. After filing, the report for the prior year will be available to Members upon request. A copy may be requested from the Member Services Department at the address or telephone number listed in section VI.B. *HOW TO FILE AN APPEAL OR COMPLAINT*.

### **6. Membership Required for Coverage**

To be eligible for coverage, a Member must be enrolled under the Plan on the date a service is received. A response to an informal inquiry or an appeal decision approving coverage will not be valid for services received after the termination of membership. However, payment may be made after the termination of membership for services received while membership was effective.

## **C. THE INFORMAL INQUIRY PROCESS**

---

Most appeals and complaints result from a misunderstanding with a provider or a claim processing error. Since these problems can be easy to resolve, most appeals and complaints will first be considered in our informal inquiry process. However, the informal inquiry process will not be used to review a denial of coverage involving a medical necessity determination. Coverage decisions involving medical necessity determinations will be transferred directly to the formal appeal process described below in “The Formal Appeal Process.”

During the informal inquiry process a Member Services Representative will investigate an appeal or complaint and attempt to resolve it to the Member’s satisfaction. Whenever possible, the Member Services Representative will provide the Member with a response within 3 business days of receipt of the inquiry. This response will normally be communicated by telephone.

If the Member Services Representative responds to an inquiry within 3 business days of receipt but the inquiry is not resolved to the Member’s satisfaction, the Member may either file a formal complaint or appeal, as appropriate.

If the Member Services Representative cannot respond to the inquiry within 3 business days, we will transfer the inquiry to the formal appeal or formal complaint process, as appropriate.

## **D. THE FORMAL APPEAL PROCESS**

---

Our internal appeal process is available whenever a Member is denied coverage. This includes either the denial of a health service sought by a Member or the denial of payment for a health service that a Member has received. If a denial involves a medical necessity determination, an appeal may be filed immediately. All other appeals will be considered in the informal inquiry process, described above.

### **1. How to File an Appeal**

Appeals may be filed in person, by mail, by fax or by phone at the addresses or phone numbers listed in section VI.B. *HOW TO FILE AN APPEAL OR COMPLAINT*. After an appeal is filed, we will appoint an Appeal Coordinator who will be responsible for the appeal during the appeal process.

### **2. Documentation of Oral Appeals**

If an appeal is filed by telephone, an Appeal Coordinator will write a summary of the appeal and send it to the member within 48 hours of receipt. This time limit may be extended by written mutual agreement between the Member and us.

### **3. Acknowledgment of Appeals**

Appeals will be acknowledged in writing within 15 days of receipt. This time limit may be extended by written mutual agreement between the Member and us. No acknowledgment of an appeal will be sent if an Appeal Coordinator has previously sent a summary of an appeal submitted by telephone.

### **4. Release of Medical Records**

Any appeal that requires the review of medical information must include a signed “Authorization for Release of Medical Information.” This form must be signed and dated by the Member or the Member’s authorized representative. (When signed by an authorized representative, appropriate proof of authorization to release medical information must be provided). If an Authorization for Release of Medical Information form is not provided when the appeal is filed, the Appeal Coordinator will promptly send a blank form to the Member or the Member’s representative. If a signed Authorization for Release of Medical Information is not received within 30 business

days of the date the appeal is received, we may issue a decision based on the information already in the file.

### 5. What are “Pre-Service” and “Post-Service” Appeals?

We divide appeals into two types, “Pre-Service Appeal” and “Post-Service Appeal” as follows:

- A “Pre-Service Appeal” requests coverage of a health care service that the Member has not yet received.
- A “Post-Service Appeal” requests coverage of a health care service that the Member has already received.

### 6. Time Limit for Processing Appeals

For Pre-Service Appeals, Members will be provided with a written appeal decision within 30 days of the date the appeal was received. For Post-Service Appeals, Members will be provided with a written appeal decision within 30 business days of the date the appeal was received. These time limits may be extended by mutual agreement, in writing, between the Member and us. Any extension will not exceed 30 business days from the date of the agreement. We may decline to extend the review period for an appeal if a service has been continued pending an appeal.

If an appeal requires the review of medical information, the date of receipt will be the date we receive a signed Authorization for Release of Medical Information. If we do not respond to an informal inquiry within 3 business days, the date of receipt will be the 4th business day following the date we received the inquiry or the date we receive the signed Authorization for Release of Medical Information, whichever is later. No appeal will be deemed received until actual receipt of the appeal at the appropriate address or phone number listed in section VI.B. *HOW TO FILE AN APPEAL OR COMPLAINT*.

If we do not act on an appeal within 30 business days plus any extension of time mutually agreed upon in writing by the Member and us, the appeal will be deemed to be resolved in favor of the Member.

### 7. Medical Records and Information

The Appeal Coordinator will try to obtain all information, including medical records, relevant to the appeal. Due to the limited time available for the processing of appeals, Members may be asked to assist the Appeal Coordinator in obtaining any missing information or to extend the appeal time limit until this information can be obtained. If information cannot be obtained by the 15th day following the

receipt of the Authorization for Release of Medical Information and no agreement can be reached on extending the appeal time limit, the appeal may be decided without the missing information.

### 8. Continuation of Services Pending Appeal

If an appeal is filed concerning the termination or reduction of coverage for ongoing treatment, the coverage will be continued through the completion of our internal appeal process if:

- a) The service was authorized by us prior to a request for an informal inquiry or the filing of an appeal;
- b) The service was not terminated or reduced due to a benefit limit under this Handbook or Schedule of Benefits; and
- c) The appellant is, and continues to be, a duly enrolled Member under this Handbook.

### 9. The Appeal Process

Upon receipt of an appeal, we will review, investigate and decide an appeal within the applicable time limit unless the time limit is extended by mutual agreement.

The Appeal Coordinator will investigate the appeal and determine if additional information is required from the Member. This information may include medical records, statements from doctors, and bills and receipts for services the Member has received. The Member may also provide us with any written comments, documents, records or other information related to the claim. Should we need additional information to decide an appeal, the Appeal Coordinator will contact the Member and request the specific information needed.

Appeals that involve a medical necessity determination will be reviewed by a health care professional in active practice in a specialty that is the same as, or similar to, the medical specialty that typically treats the medical condition that is the subject of the appeal. The health care professional conducting the review must not have either participated in any prior decision on the Member’s appeal or be the subordinate of such a person.

We will make a decision following the investigation and review of the appeal. In making a decision, we will consider the following review criteria: (1) the benefits and the terms and conditions of coverage stated in this Handbook and Schedule of Benefits; (2) the views of medical professionals who have cared for the Member; (3) the views of any specialist who has reviewed the appeal; (4) any relevant records or other documents

provided by the Member; and (5) any other relevant information available to us.

Our decision of an appeal will be sent to the Member in writing. The decision will identify the specific information considered in your appeal and an explanation of the basis for the decision with reference to the plan provisions on which the decision was based. If the decision is to deny coverage based on a Medical Necessity determination, the decision will include: (1) the specific information upon which the decision was based; (2) the Member's presenting symptoms or condition, diagnosis and treatment interventions and the specific reasons this medical evidence fails to meet the relevant medical review criteria; (3) identification of any alternative treatment option covered by us; and (4) the applicable clinical practice and review criteria information relied on to make the decision. The decision will also include a description of other options available for further review of the appeal. These options are described in section VI.F. *WHAT YOU MAY DO IF YOUR APPEAL IS DENIED*.

No one involved in the initial decision to deny a claim under appeal will be a decision-maker in any stage of the appeal process. Members have the right to receive, free of charge, all documents, records or other information relevant to the initial denial and appeal.

## **E. THE EXPEDITED APPEAL PROCESS**

---

Members may obtain expedited review of certain types of appeals. An expedited appeal may be requested if we deny coverage for health services involving: (1) continued hospital care, (2) care that a physician certifies is required to prevent serious harm, or (3) a member with a terminal illness. An expedited appeal will not be granted to review a termination or reduction in coverage resulting from (1) a benefit limit or cost sharing provision of this Handbook or (2) the termination of membership.

Members may request an expedited appeal – other than an appeal involving mental health or drug and alcohol rehabilitation services – by contacting us orally or in writing at the following phone numbers or addresses:

**HPHC Member Appeals  
Member Services Department  
Harvard Pilgrim Health Care  
1600 Crown Colony Drive  
Quincy, MA 02169  
1-888-333-4742  
Fax: 1-617-509-3085**

Members may request orally or in writing an expedited appeal that involves a mental health or drug and alcohol rehabilitation service by contacting:

**HPHC Behavioral Health Access Center  
c/o United Behavioral Health  
Appeals Department  
100 East Penn Square, Suite 400  
Philadelphia, PA 19107  
1-888-777-4742  
Fax 1-888-881-7453**

We will make a decision of an expedited appeal within 72 hours from receipt of the appeal unless a different time limit is specified below. If we do not act on an expedited appeal within the time limits stated below, including any extension of time mutually agreed upon in writing by the Member and us, the appeal will be deemed to be resolved in favor of the Member. Our decision will be sent to the Member in writing.

If you are filing an expedited appeal with HPHC, you may also file a request for expedited external review with the Massachusetts Office of Patient Protection at the same time. You do not have to wait until HPHC completes your expedited appeal to file for expedited external review. Please see the Section VI.F. *WHAT YOU MAY DO IF YOUR APPEAL IS DENIED*, "External Review" for information on how to file for external review.

The circumstances and procedures under which Members may obtain an expedited appeal are as follows:

### **1. Hospital Discharge**

A Member who is an inpatient in a hospital will be provided with an expedited review of any action by us to terminate or reduce coverage for continued hospital care based upon the medical necessity of the hospitalization or the services provided. Any such appeal will be decided prior to the termination or reduction of coverage for the Member's hospital stay. Coverage for services will be continued through the completion of the appeals process. We will provide the Member with written notification of the appeal decision prior to discharge from a hospital.

### **2. Services or Durable Medical Equipment Required to Prevent Serious Harm**

An expedited review will be provided for appeals for services or durable medical equipment that, if not immediately provided, could result in serious harm to the Member. "Serious harm" means circumstances that could (1) jeopardize the life or health of the

Member, (2) jeopardize the ability of the Member to regain maximum function, or (3) result in severe pain that cannot be adequately managed without the care or treatment requested.

An expedited review will be provided in any case in which we have denied coverage for a service or durable medical equipment if the physician recommending the treatment or durable medical equipment provides us with a written certification stating that:

- a) The service or durable medical equipment is Medically Necessary;
- b) A denial of coverage for the service or durable medical equipment would create a substantial risk of serious harm to the Member; and
- c) The risk of serious harm is so immediate that the provision of the services or durable medical equipment should not await the outcome of the normal appeal process.

Any such certification must contain the name, address and telephone number of the certifying physician and his or her signature. Certifications may be delivered in person, by mail or by fax at the addresses and telephone numbers listed above in this subsection. Upon receipt of a proper certification, HPHC will review the denial of coverage and provide the Member with notice of the decision within 48 hours. A decision may take place earlier than 48 hours for durable medical equipment if (1) a request for the early reversal is included in the certification and (2) the physician's certification includes specific facts indicating that immediate and severe harm to the Member that will result from a 48-hour delay.

### 3. Member with a Terminal Illness

If a Member with a terminal illness files an appeal of a denial of coverage, a decision will be made by us within 5 business days of receipt of the appeal. A terminal illness is an illness that is likely to cause death within 6 months.

If a decision is made on appeal to deny coverage to a Member with a terminal illness, we will provide the Member with a written decision within 5 business days of the decision. In the event a decision is made to deny the coverage requested, the decision will include:

- a) A statement of any medical and scientific reasons for the denial; and
- b) A description of any relevant alternative treatment, services, or supplies covered by us.

If a decision is made on appeal to deny coverage to a Member with a terminal illness, the Member

may request a meeting with our review committee to reconsider the denial. The meeting will be held within 10 days of request, unless the treating physician requests that it be held earlier. In such event, the meeting will be held within 5 business days. At the meeting, the Member and the committee will review the information previously provided in response to the Member's appeal. The review committee will have authority to approve or deny the appeal. The review committee's decision will be our final decision.

## F. WHAT YOU MAY DO IF YOUR APPEAL IS DENIED

If you disagree with the decision of your appeal, you may have a number of options for further review. These options may include (1) reconsideration of appeals that involve a Medical Necessity determination (as described in *VI.B. HOW TO FILE AN APPEAL OR COMPLAINT*) by our review committee, (2) external review by an independent organization appointed by the Office of Patient Protection, or (3) legal action. Below is a summary of these options.

### 1. Reconsideration by the Plan

If a Member disagrees with a decision concerning an appeal that involves a Medical Necessity determination, the Member may request reconsideration of such appeal by our review committee. The Member must request reconsideration within 15 days of the date of our letter denying the appeal.

Reconsideration is not available for the following types of appeals:

- Decisions involving a benefit limitation where the limit is stated in the Handbook or Schedule of Benefits
- Decisions involving excluded services, except Experimental, Unproven or Investigational services, and
- Decisions concerning Member Cost-Sharing requirements

The Member may request that the committee review the appeal based upon the documents and records in the appeal file without participating in the meeting. Alternatively, the Member, or the Member's representative, may participate in the committee's meeting via telephone conference call to discuss the appeal.

Members are welcome to provide us with any additional documents or records concerning the Member's appeal prior to the meeting. Our review

committee will provide the Member with a written decision of the review of the Member's appeal.

Our reconsideration process is voluntary and optional. A Member may request reconsideration before or after seeking any other dispute resolution process described below. The only exception involves appeals that have been accepted by the Office of Patient Protection for external review. For example, a Member may request reconsideration of an appeal before seeking external review from the Office of Patient Protection, or the Member may proceed directly to external review. A Member may also request reconsideration if the Office of Patient Protection has determined that an appeal is not eligible for external review. However, we will not reconsider an appeal that has been accepted for external review by the Office of Patient Protection.

Reconsideration by our review committee will not affect the Member's rights to any other benefits. A Member's authorized representatives may file a request for reconsideration and participate in the review committee meeting on a Member's behalf. On reconsideration, our review committee will make an impartial evaluation of the Member's appeal based on the review criteria in "The Formal Appeal Process," above without deference to any prior decisions made on the claim.

We will not assert that a Member has failed to exhaust administrative remedies because the Member has chosen not to seek reconsideration of an appeal that has been denied under the formal appeal process. We also agree that any statute of limitations or defense based on timeliness is tolled during the time period in which a request for reconsideration is pending. No fees or costs will be charged for reconsidering an appeal decision.

## 2. External Review

Any Member who wishes to contest a final appeal decision involving a medical necessity determination may request external review of the decision by an independent organization under contract with the Office of Patient Protection of the Department of Public Health. To obtain external review, a written request for external review must be filed with the Office of Patient Protection within 4 months of receipt of the written notice of our appeal decision. A copy of the external review form will be enclosed with your notice from us of its decision to deny your appeal.

A request for an external review must meet the following requirements:

- 1) The request must be submitted on the Office of Patient Protection's application form called, "Request for Independent External Review of a Health Care Decision." A copy of this form may be obtained by calling the Member Services Department at **1-888-333-4742**. It may also be obtained from the Office of Patient Protection by calling **1-800-436-7757**. In addition, copies of the form may be downloaded from the Department's website at **www.state.ma.us/dph/opp/forms.htm**.
- 2) The form must include the Member's signature or the signature of the Member's authorized representative, consenting to the release of medical information.
- 3) A copy of our final appeal decision must be enclosed.
- 4) A fee of \$25 must be paid. The Office of Patient Protection may waive this fee for extreme financial hardship.

The Office of Patient Protection will screen requests for external review to determine whether external review can be granted. If the Office of Patient Protection determines that a request is eligible for external review, the appeal will be assigned to an external review agency and the Member (or Member representative) and HPHC will be notified. The decision of the external review agency is binding, and we must comply with the decision.

If the Office of Patient Protection determines that a request is not eligible for external review, the Member (or Member representative) will be notified within 10 business days or, in the case of requests for expedited review, 72 hours.

The Office of Patient Protection may be reached at:

**Department of Public Health  
Office of Patient Protection  
99 Chauncy Street  
Boston, MA 02111  
1-800-436-7757  
Fax: 1-617-624-5046  
<http://www.state.ma.us/dph/opp/index.htm>**

The Office of Patient Protection may arrange for an expedited external review. A request for expedited external review must include a written certification from a physician that a delay in providing or continuing the health services that are the subject of the appeal decision would pose a serious and immediate threat to the health of the insured.

If the subject of an external review involves the termination of ongoing services, the Member may ask the external review panel to continue coverage for the service while the review is pending. Any request for continuation of coverage must be made before the end of the second business day following receipt of the final adverse decision. The review panel may order the continuation of coverage if it finds that substantial harm to the Member's health may result from the termination of coverage. The panel may also order the continuation of coverage for good cause. Any such continuation of coverage shall be at our expense regardless of the final external review determination.

### 3. Legal Action

A Member enrolled through an Employer Group may be able to bring legal action under Section 502(a) of the Employee Retirement Income Security Act of 1974.

## G. THE FORMAL COMPLAINT PROCEDURE

---

A complaint may be filed when a Member seeks redress of any action taken by us or any aspect of our services, other than a denial of coverage for health services. All complaints will initially be considered through the informal inquiry process described above in "The Informal Inquiry Process."

Complaints may be filed in person, by mail, by fax or by telephone at the addresses or telephone numbers listed in section VI.B. *HOW TO FILE AN APPEAL OR COMPLAINT*. A Member Services Representative will investigate each complaint and respond in writing.

### 1. Documentation of Oral Complaints

If a complaint is filed by phone, a Member Services Representative will write a summary of the complaint and send it to the Member within 48 hours of receipt. This time limit may be extended by mutual agreement between the Member and us. Any such agreement must be in writing.

### 2. Acknowledgment of Complaints

Written complaints will be acknowledged in writing within 15 days of receipt. This time limit may be extended by written mutual agreement between the Member and us. No acknowledgment of a complaint will be sent if a Member Services Representative has previously sent a summary of a complaint submitted by phone.

### 3. Release of Medical Records

Any complaint that requires the review of medical information must include a signed "Authorization for Release of Medical Information." This form

must be signed and dated by the Member or the Member's authorized representative (when signed by an authorized representative, appropriate proof of authorization to release medical information must be provided). If an Authorization for Release of Medical Information form is not provided when the complaint is filed, a Member Services Representative will send a blank form to the Member or the Member's representative. If a signed Authorization for Release of Medical Information is not received within 30 business days of the date the complaint is received, we may respond to the complaint without the missing information.

### 4. Time Limit for Responding to Complaints

Members will be provided with a written response to a complaint within 30 business days of the date the complaint was received. This time limit may be extended by mutual agreement between the Member and us. Any extension will not exceed 30 business days from the date of the agreement. Any such agreement must be in writing.

If a complaint requires the review of medical records, the date of receipt will be the date we receive a signed Authorization for Release of Medical Information. If we do not respond to an informal inquiry within 3 business days, the date of receipt will be the fourth business day following the date we receive the informal inquiry. No complaint will be deemed received until actual receipt of the complaint at the appropriate address or phone number listed in the section VI.B. *HOW TO FILE AN APPEAL OR COMPLAINT*.

If we do not act on a complaint concerning benefits under this contract within 30 business days, plus any extension of time mutually agreed upon in writing by the Member and us, the complaint will be deemed to be resolved in favor of the Member.

### 5. Medical Records and Information

The Member Services Representative will try to obtain all information, including medical records, relevant to a complaint. Due to the limited time available for processing complaints, Members may be asked to assist the Member Services Representative in obtaining any missing information or to extend the time limit for response to the complaint until such information can be obtained. If information cannot be obtained by the 15th day following the receipt of the Authorization for Release of Medical Information and no agreement can be reached on extending the time limit for responding to the complaint, the Member Services Representative may respond to the complaint without the missing information.

## VII. Eligibility

**Important Notice:** We may not have current information concerning membership status. Employer Groups may notify us of enrollment changes retroactively. As a result, the information we have may not be current. Only your Employer Group can confirm membership status.

This section describes requirements concerning eligibility under the Plan. It is important to understand that eligibility of Dependents and effective dates of coverage are determined by the Employer Group.

### A. ELIGIBILITY

#### 1. Subscriber Eligibility

To be a Subscriber under this Plan, you must:

- Be an employee of an Employer Group, in accordance with employee eligibility guidelines agreed to by the Employer Group and us; and
- Be enrolled through an Employer Group that is up-to-date in the payment of the applicable premium for coverage.

We have the right to examine an Employer Group's records, including payroll records, to verify eligibility and premium payments.

#### 2. Dependent Eligibility

Unless an employer has elected different types of coverage for Dependents, a Dependent must meet one of the requirements for coverage listed below to be eligible for coverage under the Plan. Please note that employers may elect different coverage for Dependents and different ages for the termination of Dependents to the extent allowed by law. Please consult your Employer Group's Benefits Office to determine the specific Dependent eligibility requirements that apply to your Plan.

To be eligible as a Dependent, an individual must be one of the following:

- 1) The legal spouse of the Subscriber. A legal spouse means the same-sex or opposite-sex spouse of the Subscriber who has entered into a legally valid marriage or civil union in a jurisdiction where such marriage or civil union is legal. We recognize same-sex spouses and partners in a civil union subject to the Employer's eligibility policies.

- 2) The former spouse of the Subscriber, until either the Subscriber or the former spouse remarries or until the divorce judgment between them no longer requires the Subscriber to provide health coverage to the former spouse, whichever comes first.

**Please Note:** After the remarriage of the Subscriber, a former spouse may continue coverage through an individual contract, if the provision of such coverage is (1) required by the divorce judgment and (2) the applicable premium for such coverage is paid to us. There is no coverage for the former spouse after he or she remarries.

- 3) A child (including an adopted child) of the Subscriber or spouse of the Subscriber until the child's 26th birthday.
- 4) An unmarried child (including an adopted child) of the Subscriber or spouse of the Subscriber, age 26 years or older who meets each of the following requirements: (a) is currently Disabled; (b) was Disabled on his or her 26th birthday; (c) lives either with the Subscriber or spouse or in a licensed institution; and (d) remains financially dependent on the Subscriber. The term "Disabled" means unable to engage in any substantial gainful activity by reason of a specific medically determinable physical or mental impairment which can be expected to last, or has lasted, for at least 12 months or result in death.
- 5) An unmarried child under the age of 19\* years for whom the Subscriber or Subscriber's spouse is the court appointed legal guardian. Proof of guardianship must be submitted to us prior to enrollment.
- 6) The unmarried child of an enrolled Dependent child of the Subscriber (or the Subscriber's enrolled spouse) until (1) the child's parent is no longer an eligible Dependent, or (2) the child reaches age 19\*, whichever occurs first. There is no coverage under this paragraph unless the enrolled Dependent parent has legal custody of the child.

We may require reasonable evidence of eligibility from time to time.

## **B. EFFECTIVE DATE - NEW AND EXISTING DEPENDENTS**

---

Please see your Employer Group's Benefit Administrator for information on enrollment and effective dates of coverage. Please also see section *VII.H. SPECIAL ENROLLMENT RIGHTS*.

## **C. EFFECTIVE DATE - ADOPTIVE DEPENDENTS**

---

An adoptive child who has been living with you, and for whom you have been receiving foster care payments, may be covered from the date the petition to adopt is filed. An adoptive child who has not been living with you may be covered from the date of placement in your home for purposes of adoption by a licensed adoption agency. Please see section *VII.H. SPECIAL ENROLLMENT RIGHTS* for additional rights upon adoption of a child.

## **D. CHANGE IN STATUS**

---

It is your responsibility to inform your Employer Group and us of all changes that affect Member eligibility. These changes include: address changes; marriage of a Dependent; and death of a Member.

## **E. ADDING A DEPENDENT**

---

To add a new Dependent to your Plan, please contact your Employer's human resources or benefits department. If you already have family coverage, you may also call our Member Services Department at **1-888-333-4742** to add a newborn or newly adopted child.

Dependents of eligible employees who meet the eligibility guidelines described in this Handbook and the Employer Agreement will be enrolled in the Plan using HPHC enrollment forms or in a manner otherwise agreed to in writing by us and the Member's Employer Group.

We must receive proper notice from the Employer Group of any Member enrollment in, or termination from, the Plan no more than 60 days after such change is to be effective unless otherwise required by law. Please see your Employer Group for information on Dependent eligibility and effective dates of coverage.

## **F. NEWBORN COVERAGE**

---

A newborn infant of a Member or a newborn infant of a Dependent of a Member is eligible for coverage under the Plan from the moment of birth as required by Massachusetts law. Please see section

*VII.E. ADDING A DEPENDENT* for information on enrollment procedures. Please see section *VII.H. SPECIAL ENROLLMENT RIGHTS* for additional rights upon the birth of a child.

## **G. HOW YOU'RE COVERED IF MEMBERSHIP BEGINS WHILE YOU'RE HOSPITALIZED**

---

If your membership happens to begin while you are hospitalized, coverage starts on the day membership is effective. Please see your Employer Group's benefits administrator for information on enrollment and effective date of coverage. All other terms and conditions of coverage under this Handbook will apply.

For In-Network coverage, you must be hospitalized in an In-Network hospital.

If you are hospitalized at an Out-of-Network hospital, you must notify HPHC by calling **1-800-708-4414** for medical services. For all mental health and drug and alcohol rehabilitation services please call **1-888-777-4742**. Please see section *I.F. NOTIFICATION AND PRIOR APPROVAL* for more information.

## **H. SPECIAL ENROLLMENT RIGHTS**

---

If an employee declines enrollment for the employee and his or her Dependents (including his or her spouse) because of other health insurance coverage, the employee may be able to enroll himself or herself, along with his or her Dependents in this Plan if the employee or his or her Dependents lose eligibility for that other coverage (or if the employer stops contributing toward the employee's or Dependents' other coverage). However, enrollment must be requested within 30 days after the other coverage ends (or after the employer stops contributing toward the employee's or Dependents' other coverage). In addition, if an employee has a new Dependent as a result of marriage, birth, adoption or placement for adoption, the employee may be able to enroll himself or herself and his or her Dependents. However, enrollment must be requested within 30 days after the marriage, birth, adoption or placement for adoption.

Special enrollment rights may also apply to persons who lose coverage under Medicaid or the Children's Health Insurance Program (CHIP) or become eligible for state premium assistance under Medicaid or CHIP. An employee or Dependent who loses coverage under Medicaid or CHIP as a result of the loss of Medicaid or CHIP eligibility may be able to enroll in this Plan, if enrollment is requested within 60 days after Medicaid

or CHIP coverage ends. An employee or Dependent who becomes eligible for group health plan premium assistance under Medicaid or CHIP may be able to

enroll in this Plan if enrollment is requested within 60 days after the employee or Dependent is determined to be eligible for such premium assistance.

## VIII. Termination and Transfer to Other Coverage

**Important Notice:** We may not have current information concerning membership status. Employer Groups may notify us of enrollment changes retroactively. As a result, the information we have may not be current. Only your Employer Group can confirm membership status.

### A. TERMINATION BY THE SUBSCRIBER

You may end your membership under this Plan with your Employer Group's approval. We must receive a completed Enrollment/Change form from the Employer Group within sixty (60) days of the date you want your membership to end.

### B. TERMINATION FOR LOSS OF ELIGIBILITY

A Member's coverage will end under this Plan if the Employer Group contract through which the Member receives coverage is terminated. A Member's coverage may also end for failing to meet any of the specified eligibility requirements.

We will inform you in writing if coverage ends for loss of eligibility.

### C. TERMINATION FOR NON-PAYMENT BY THE EMPLOYER GROUP

A Member's coverage will end under this Plan if the Employer Group contract through which the Member receives coverage is terminated for non-payment.

We will notify you in writing, if your coverage is terminated due to your Employer Group failing to pay its premium. We will elect to follow one of two options in this event: 1) continue your coverage up to the date you receive notice of termination, or 2) offer temporary continued coverage and buy-direct or non group coverage provided you satisfy the state mandated eligibility criteria.

You may be eligible for continued enrollment under federal or state law, if your membership is terminated. See "Continuation of Employer Group Coverage" in this Section for more information.

### D. MEMBERSHIP TERMINATION FOR CAUSE

We may end a Member's coverage for any of the following causes:

- Providing false or misleading information to us on an application for membership or in an

attempt to obtain benefits for which you or a Dependent are not eligible;

- Committing or attempting to commit fraud to obtain benefits for which the Member is not eligible under this Handbook;
- Obtaining or attempting to obtain benefits under this Handbook for a person who is not a Member; or
- The commission of acts of physical or verbal abuse by a Member, which pose a threat to providers, or other Members and which are unrelated to the Member's physical or mental condition.

Termination of membership for providing false information shall be effective immediately upon notice to a Member. Termination of membership for the other causes will be effective fifteen (15) days after notice. Premium paid for periods after the effective date of termination will be refunded.

### E. CONTINUATION OF EMPLOYER GROUP COVERAGE REQUIRED BY LAW

#### 1. Massachusetts Law

If you lose Employer Group eligibility under a Massachusetts employer with 2 - 19 employees, you may be eligible for continuation of group coverage under the Massachusetts Small Group Continuation Coverage law. Under this law you have 60 days to elect coverage. You should contact the Employer Group or the Member Services Department for more information about coverage under this law. In addition to the Small Group Continuation Coverage law, there are other state laws which may apply. You should contact the Employer Group for more information if membership ends due to: 1) plant closing or partial closings; 2) loss of dependency status due to age or divorce or legal separation; 3) separation from employment or reduction of work hours.

Continuation of Employer Group coverage under the Plan may be available to a Member under one or more of the following provisions of Massachusetts Law:

#### i. Following Termination of Employment

Provided premium is received by HPHC, coverage shall continue for a Member for a period of thirty-one days following termination of employment unless,

during such period, he or she shall otherwise be entitled to similar health coverage.

**ii. Following Involuntary Layoff or Death of the Member**

A Member may elect to continue Plan coverage in the event that coverage terminates due to involuntary layoff or death of the Member.

Such continued coverage shall be available only if the former Member elects continuation of coverage in writing and pays his or her Employer Group the required premium within thirty days from the date coverage would otherwise terminate. The required premium will be the whole premium for Plan coverage, including both the amounts normally paid by the Employer Group and the Member.

Continued coverage under the Plan will, in no event, continue beyond the earliest of:

- 1) thirty-nine weeks from the date the coverage would otherwise cease;
- 2) the amount of time for which the former Member was most recently covered under this Handbook, if less than thirty-nine weeks;
- 3) the last day for which HPHC has received the required premium from the Employer Group;
- 4) the date the Member becomes eligible for another group medical plan;
- 5) the date the Employer Group ceases to participate in the Plan;
- 6) the date a Dependent no longer qualifies as a Dependent.

**iii. Following Plant Closing or Partial Closing**

A Member may elect to continue Plan coverage for himself and his Dependents in the event that his or her coverage terminates due to plant closing or covered partial closing as defined by Chapter 151A, section 71A of Massachusetts law.

Such continued insurance shall be available only if the former Member elects continuation of coverage in writing and pays his or her Employer Group the required premium within thirty days from the date coverage would otherwise terminate. The required premium will include that amount normally paid by the Member for coverage through the Employer Group and that amount normally paid by the Employer Group for such coverage

The Employer Group is required to pay the full premium amount to HPHC.

Continued coverage will, in no event, continue beyond the earliest of:

- 1) ninety days from the date the coverage would otherwise cease;
- 2) the last day for which HPHC has received the required premium from the Employer Group;
- 3) the date the Member becomes eligible for another group medical plan;
- 4) the date the Employer Group ceases to participate in the Plan;
- 5) the date a Dependent no longer qualifies as a Dependent.

**iv. Following Separation or Divorce**

A Dependent spouse may elect to continue Plan coverage for himself or herself under this Handbook in the event that his or her coverage terminates due to divorce or legal separation from the Member unless the judgment of divorce or separation provides otherwise.

Coverage will, in no event, continue beyond the earliest of:

- 1) the remarriage of either the Member or the former Dependent spouse. However, upon remarriage of the Member, if provided in the judgment of divorce, the former Dependent spouse may elect to continue coverage at additional premium rates, as determined by HPHC;
- 2) the date that the Member's coverage terminates;
- 3) the period of time as determined in the judgment of divorce or separation;
- 4) the last day for which HPHC has received the required premium from the Employer Group;
- 5) the date the Employer Group ceases to participate in the Plan.

**2. Federal Law**

If you lose Employer Group eligibility and the Employer Group has twenty (20) or more employees, you may be eligible for continuation of group coverage under the Federal law known as the Consolidated Omnibus Budget Reconciliation Act (COBRA). You should contact the Employer Group for more information if health coverage ends due to: 1) separation from employment; 2) reduction of work hours; or 3) loss of dependency status. Continuation of coverage may not be extended beyond the applicable time allowed under federal law. The size of your

Employer Group will determine whether you select your continuation of coverage rights under state or federal law.

A Member may elect between the continuation of benefits rights under state or federal law. Once an election is made, however, there may be no duplication of such continuation rights.

### **F. BUY DIRECT OR NONGROUP COVERAGE**

---

We offer “Buy Direct” health plans for Massachusetts residents, and “Nongroup” health plans for Maine residents. Coverage purchased on a Buy Direct or Nongroup basis may differ from the coverage under your previous Plan. Individuals may enroll only in a plan offered in their state of residence and must satisfy all eligibility guidelines. Your state of residence will have specific rules about eligibility and coverage.

#### **1. Massachusetts residents:**

The plans we sell directly to residents of Massachusetts are called Buy Direct plans, and there are many options available. If you are eligible, your effective date will be the first of the month following the date we receive complete and accurate enrollment materials and your first month’s premium payment. We must receive the enrollment material at least five days prior to your coverage start date (e.g., by June 25 for a July 1 start date).

#### **2. Maine residents:**

The plans we sell directly to residents of Maine are called Nongroup plans. We must receive your application within 90 days of your last date of Employer coverage to avoid a possible preexisting condition exclusion period.

#### **3. Questions**

If you have any questions, please call us at one of the following numbers. One of our representatives will be glad to assist you.

#### **Massachusetts residents**

For Buy Direct coverage questions **1-800-208-1221** - weekdays 8:30 a.m. -5 p.m..

#### **Maine residents**

For Nongroup coverage questions **1-888-333-4742** - weekdays 8:30 a.m. -5 p.m. Monday and Wednesday until 7:30 p.m.

### **G. MEMBERS ELIGIBLE FOR MEDICARE**

---

If your membership ends because you are eligible for Medicare under circumstances in which federal law permits Medicare to be the primary payer for Medicare-covered services, you may apply for coverage under an HPHC plan for Medicare enrollees. You may contact HPHC’s Member Services Department for more information.

## IX. When You Have Other Coverage

This section explains how benefits under the Plan will be paid when another company or individual is also responsible for payment for health services a Member has received. This can happen when there is other insurance available to pay for health services, in addition to that provided by the Plan. It can also happen when a third party is legally responsible for an injury or illness suffered by a Member.

Nothing in this section should be interpreted as providing coverage for any service or supply that is not expressly covered under the Handbook, Schedule of Benefits and Prescription Drug Brochure (if applicable) or to increase the level of coverage provided.

### A. BENEFITS IN THE EVENT OF OTHER INSURANCE

Benefits under this Handbook, Schedule of Benefits, and Prescription Drug Brochure (if applicable) will be coordinated to the extent permitted by law with other plans covering health benefits, including: motor vehicle insurance, medical payment policies, governmental benefits (including Medicare), and all Health Benefit Plans. The term "Health Benefit Plan" means all group HMO and other group prepaid health plans, medical or hospital service corporation plans, commercial health insurance and self-insured health plans. There is no coordination of benefits with Medicaid plans or with hospital indemnity benefits amounting to less than \$100 per day.

Coordination of benefits will be based upon the Usual, Customary and Reasonable Charges for any service that is covered at least in part by any of the plans involved. If benefits are provided in the form of services, or if a provider of services is paid under a capitation arrangement, the reasonable value of these services will be used as the basis for coordination. No duplication in coverage of services will occur among plans.

When a Member is covered by two or more Health Benefit Plans, one will be "primary" and the other plan (or plans) will be secondary. The benefits of the primary plan are determined before those of secondary plan(s) and without considering the benefits of secondary plan(s). The benefits of secondary plan(s) are determined after those of the primary plan and may be reduced because of the primary plan's benefits.

In the case of Health Benefit Plans that contain provisions for the coordination of benefits, the

following rules will determine which Health Benefit Plans are primary or secondary:

#### 1. Dependent/Non-Dependent

The benefits of the plan that covers the person as an employee or Subscriber are determined before those of the plan that covers the person as a Dependent.

#### 2. A Dependent Child Whose Parents Are Not Separated or Divorced

The order of benefits is determined as follows:

- 1) The benefits of the plan of the parent whose birthday falls earlier in a year are determined before those of the plan of the parent whose birthday falls later in that year; but,
- 2) If both parents have the same birthday, the benefits of the plan that covered the parent longer are determined before those of the plan that covered the other parent for a shorter period of time;
- 3) However, if the other plan does not have the rule described in (1) above, but instead has a rule based upon the gender of the parent, and if, as a result, the plans do not agree on the order of benefits, the other plan will determine the order of benefits.

#### 3. Dependent Child/Separated or Divorced Parents

Unless a court order, of which HPHC has knowledge of, specifies one of the parents as responsible for the health care benefits of the child, the order of benefits is determined as follows:

- 1) First the plan of the parent with custody of the child;
- 2) Then, the plan of the spouse of the parent with custody of the child;
- 3) Finally, the plan of the parent not having custody of the child.

#### 4. Longer/Shorter Length of Coverage

If none of the above rules determines the order of benefits, the benefits of the plan that covered the employee, Member or Subscriber longer are determined before those of the plan that covered that person for the shorter time.

If you are covered by a health benefit plan that does not have provisions governing the coordination of benefits between plans, that plan will be the primary plan.

## **B. PAYMENT WHEN HPHC COVERAGE IS PRIMARY OR SECONDARY**

---

When HPHC is primary, HPHC is responsible for processing and paying claims for Covered Benefits first. Coverage will be provided to the full extent of benefits available under this Handbook, Schedule of Benefits and Prescription Drug Brochure (if applicable).

When HPHC is secondary, HPHC is responsible for processing claims for Covered Benefits after the primary plan has issued a benefit determination. HPHC will first review the primary plan's benefit determination. HPHC will then pay or provide Covered Benefits as the secondary payor. HPHC's benefits will be reduced so that the total amount paid by all plans for a Covered Benefit will not exceed the amount payable under this Handbook. HPHC may recover any payments made for services in excess of HPHC's liability as the secondary plan, either before or after payment by the primary plan.

## **C. WORKERS' COMPENSATION/GOVERNMENT PROGRAMS**

---

If HPHC has information indicating that services provided to you are covered under Workers' Compensation, Employer's liability or other program of similar purpose, or by a federal, state or other government agency, HPHC may suspend payment for such services until a determination is made whether payment will be made by such program. If HPHC provides or pays for services for an illness or injury covered under Workers' Compensation, Employer's liability or other program of similar purpose, or by a federal, state or other government agency, HPHC will be entitled to recovery of its expenses from the provider of services or the party or parties legally obligated to pay for such services.

## **D. SUBROGATION AND REIMBURSEMENT**

---

Subrogation is a means by which HPHC and other health plans recover expenses of services where a third party is legally responsible for a Member's injury or illness.

If another person or entity is, or may be, liable to pay for services related to a Member's illness or injury which have been paid for or provided by HPHC, HPHC will be subrogated and succeed to all rights of the Member to recover against such person or entity 100% of the value of the services paid for or provided by the Plan. HPHC will have the right to seek such recovery from, among others, the person or entity that

caused the injury or illness, his/her liability carrier or the Member's own auto insurance carrier, in cases of uninsured or underinsured motorist coverage. HPHC will also be entitled to recover from a Member 100% of the value of services provided or paid for by HPHC when a Member has been, or could be, reimbursed for the cost of care by another party. HPHC's recovery will be made from any recovery the Member receives from an insurance company or any third party.

HPHC's right to recover 100% of the value of services paid for or provided by HPHC is not subject to reduction for a pro rata share of any attorney's fees incurred by the Member in seeking recovery from other persons or organizations.

HPHC's right to 100% recovery shall apply even if a recovery the Member receives for the illness or injury is designated or described as being for injuries other than health care expenses. The subrogation and recovery provisions in this section apply whether or not the Member recovering money is a minor.

To enforce its subrogation rights under this Handbook, HPHC will have the right to take legal action, with or without the Member's consent, against any party to secure recovery of the value of services provided or paid for by HPHC for which such party is, or may be, liable.

Nothing in this Handbook shall be construed to limit HPHC's right to utilize any remedy provided by law to enforce its rights to subrogation under this Handbook.

## **E. MEDICAL PAYMENT POLICIES**

---

For Members who are entitled to benefits under the medical payment benefit of a motor vehicle, motorcycle, boat, homeowners, hotel, restaurant, or other insurance policy, including a Massachusetts MedPay policy, such coverage shall become primary to the coverage under this Benefit Handbook for services rendered in connection with a covered loss under that policy. The benefits under this Benefit Handbook shall not duplicate any benefits to which the Member is entitled under any medical payment policy or benefit. All sums payable for services provided under this Benefit Handbook to Members that are covered under any medical payment policy or benefit are payable to HPHC.

## **F. MEMBER COOPERATION**

---

You agree to cooperate with HPHC in exercising its rights of subrogation and coordination of benefits under this Handbook. Such cooperation will

include, but not be limited to, a) the provision of all information and documents requested by HPHC, b) the execution of any instruments deemed necessary by HPHC to protect its rights, c) the prompt assignment to HPHC of any monies received for services provided or paid for by HPHC, and d) the prompt notification to HPHC of any instances that may give rise to HPHC's rights. You further agree to do nothing to prejudice or interfere with HPHC's rights to subrogation or coordination of benefits.

If you fail to perform the obligations stated in this Subsection, you shall be rendered liable to HPHC for any expenses HPHC may incur, including reasonable attorneys fees, in enforcing its rights under this Handbook.

#### **G. HPHC'S RIGHTS**

---

Nothing in this Handbook shall be construed to limit HPHC's right to utilize any remedy provided by law to enforce its rights to subrogation or coordination of benefits under this agreement.

#### **H. MEMBERS ENROLLED IN MEDICARE**

---

When a Member is enrolled in Medicare and receives Covered Benefits that are eligible for coverage by Medicare as the primary payor, the claim must be submitted to Medicare before payment by HPHC. HPHC will be liable for any amount eligible for coverage that is not paid by Medicare. The Member shall take such action as is required to assure payment by Medicare, including presenting his or her Medicare card at the time of service.

For a Member who is eligible for Medicare by reason of End Stage Renal Disease, HPHC will be the primary payor for Covered Benefits during the "coordination period" specified by federal regulations at 42 CFR Section 411.162. Thereafter, Medicare will be the primary payor. When Medicare is primary (or would be primary if the Member were timely enrolled), HPHC will pay for services only to the extent payments would exceed what would be payable by Medicare.

## X. Plan Provisions and Responsibilities

### A. LIMITATION ON LEGAL ACTIONS

---

Any legal action against HPHC for failing to provide Covered Benefits must be brought within two years of the denial of any benefit.

### B. ACCESS TO INFORMATION

---

### E. MODIFICATION OF THIS HANDBOOK

---

This Benefit Handbook, Schedule of Benefits, Prescription Drug Brochure (if applicable) and applicable riders, may be amended by us upon thirty (30) days written notice to your Employer Group. Amendments do not require the consent of Members.

This Benefit Handbook, the Schedule of Benefits, Prescription Drug Brochure (if applicable), applicable riders and amendments comprise the entire contract between you and the Plan. The responsibilities of HPHC to the Member are only as stated in those documents. They can only be modified in writing by an authorized officer of the Plan. No other action by us, including the deliberate non-enforcement of any benefit limit shall be deemed to waive or alter any part of these documents.

#### **F. OUR RELATIONSHIP WITH PLAN PROVIDERS**

---

Our relationship with Plan Providers is governed by separate agreements. They are independent contractors. Such Providers may not modify this Handbook or Schedule of Benefits, Prescription Drug Brochure (if applicable), and any applicable riders, or create any obligation for HPHC. We are not liable for statements about this Handbook by them, their employees or agents. We may change our arrangements with service Providers, including the addition or removal of Providers, without notice to Members.

#### **G. IN THE EVENT OF A MAJOR DISASTER**

---

We will try to provide or arrange for services in the case of a major disaster. This might include war, riot, epidemic, public emergency, or natural disaster. Other causes include the partial or complete destruction of our facility(ies) or the disability of service providers. If we cannot provide or arrange services due to a major disaster, we are not responsible for the costs or outcome of this inability.

#### **H. EVALUATION OF NEW TECHNOLOGY**

---

We have a dedicated team of staff that evaluates new diagnostics, testing, interventional treatment, therapeutics, medical/behavioral therapies, surgical procedures, medical devices and drugs as well as ones with new applications. The team manages the evidence-based evaluation process from initial inquiry to final policy recommendation in order to determine whether it is an accepted standard of care or if the status is Experimental, Unproven or Investigational. The team researches the safety and effectiveness of these new technologies by reviewing published peer reviewed medical reports and literature, consulting with expert practitioners, and benchmarking. The team presents its recommendations to internal policy committees responsible for making decisions regarding coverage of the new technology under the Plan. The evaluation process includes:

- Determination of the FDA approval status of the device/product/drug in question,
- Review of relevant clinical literature, and
- Consultation with actively practicing specialty care providers to determine current standards of practice.

The team presents its recommendations to internal policy committees responsible for making decisions regarding coverage of the new technology under the Plan.

#### **I. CERTIFICATE OF CREDITABLE COVERAGE**

---

In compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Members are entitled to a Certificate of Creditable Coverage, which verifies the most recent period of coverage under the Member's Employer Group.

The Certificate shows how many months of coverage a Member has, up to a maximum of eighteen (18) months. It also shows the date coverage ended. It may be used to prove to a new Employer the number of days of "credit" a person has from a prior health plan. If there has not been a gap in coverage of sixty-three (63) days or more, preexisting condition exclusion periods in a new Employer's health plan must be reduced by the number of days of coverage shown on the Certificate.

We will send you a Certificate of Creditable Coverage upon termination of membership unless your Employer Group has agreed to do so. You may also call the Member Services Department at any time within two years from the date coverage ended to request a free copy of the Certificate from us.

#### **J. GOVERNING LAW**

This Evidence of Coverage is governed by Massachusetts law.

#### **K. RESPONSIBILITIES OF HARVARD PILGRIM HEALTH CARE, INC.**

## L. UTILIZATION REVIEW PROCEDURES

---

We use the following utilization review procedures described below to evaluate the medical necessity of selected health care services utilizing clinical criteria, and to facilitate clinically appropriate, cost-effective management of your care.

- Prospective utilization review (Prior Approval) of selected products or services. Please see section *I.F. NOTIFICATION AND PRIOR APPROVAL* for further information on HPHC's Prior Approval requirements, including procedures for which Prior Approval is required. Prior Approval determinations will be made within two working days of obtaining all necessary information. In the case of a determination to approve an admission, procedure or service, we will give notice to the requesting provider by telephone within 24 hours of the decision and will send a written or electronic confirmation of the telephone notification to you and the provider within two working days. In the case of a determination to deny or reduce benefits ("an adverse determination"), we will notify the provider rendering the service by telephone within 24 hours of the decision and will send a written or electronic confirmation of the telephone notification to you and the provider within one working day thereafter.
- Concurrent utilization review of authorized admissions to hospitals and extended care facilities, and skilled home health services. Concurrent review decisions will be made within one working day of obtaining all necessary information. In the case of a determination to approve additional services, we will notify the provider rendering the service by telephone within 24 hours of the decision and will send a written or electronic confirmation of the telephone notification to you and the provider within one working day. In the case of an adverse determination, we will notify the provider rendering the service by telephone within 24 hours of the decision and will send a written or electronic confirmation of the telephone notification to you and the provider within one working day thereafter. In the case of ongoing services, coverage will be continued without liability to you until you have been notified of the adverse determination.

Active case management and discharge planning is incorporated as part of the concurrent review

process and may also be provided upon the request of your Provider.

- Retrospective utilization review may be used in situations where services were provided before authorization was obtained.

If you wish to determine the status or outcome of a clinical review decision you may call the Member Services Department toll free at **1-888-333-4742**. For information about decisions concerning mental health care (including the treatment of substance abuse services), you may call the Behavioral Health Access Center at **1-888-777-4742**.

In the event of an adverse determination involving clinical review, your treating provider may discuss your case with a physician reviewer or may seek reconsideration from us. The reconsideration will take place within one working day of your provider's request. If the adverse determination is not reversed on reconsideration you may appeal. Your appeal rights are described in section *VI. Appeals and Complaints*. Your right to appeal does not depend on whether or not your provider sought reconsideration.

## M. QUALITY ASSURANCE PROGRAMS

---

The goal of our quality program is to ensure the provision of consistently excellent health care, health information and service to our Members, enabling them to maintain and improve their physical and behavioral health and well-being. Some components of the quality program are directed to all Members and others address specific medical issues and providers.

Examples of quality activities in place for all Members include a systematic review and re-review of the credentials of Plan Providers and contracted facilities, as well as the development and dissemination of clinical standards and guidelines in areas such as preventive care, medical records, appointment access, confidentiality, and the appropriate use of drug therapies and new medical technologies.

Activities affecting specific medical issues and providers include disease management programs for those with chronic diseases like asthma, diabetes and congestive heart failure, and the investigation and resolution of quality-of-care complaints registered by individual Members.

## N. PROCEDURES USED TO EVALUATE EXPERIMENTAL/INVESTIGATIONAL DRUGS, DEVICES, OR TREATMENTS

---

We use a standardized process to evaluate inquiries and requests for coverage received from internal

and/or external sources, and/or identified through authorization or payment inquiries. The evaluation process includes:

- Determination of the FDA approval status of the device/product/drug in question,
- Review of relevant clinical literature, and
- Consultation with actively practicing specialty care providers to determine current standards of practice.

Decisions are formulated into recommendations for changes in policy, and forwarded to our management for review and final implementation decisions.

### **O. PROCESS TO DEVELOP CLINICAL GUIDELINES AND UTILIZATION REVIEW CRITERIA**

---

We use clinical review criteria and guidelines to make fair and consistent utilization management decisions. Criteria and guidelines are developed in accordance with standards established by The National Committee for Quality Assurance (NCQA), and reviewed (and revised, if needed) at least biennially, or more often if needed to accommodate current standards of practice.

This process applies to guidelines for both physical and mental health services.

We use the nationally recognized InterQual criteria to review elective surgical day procedures, and services provided in acute care hospitals. InterQual criteria are developed through the evaluation of current national standards of medical practice with input from physicians and clinicians in medical academia and all areas of active clinical practice. InterQual criteria are reviewed and revised annually.

Criteria and guidelines used to review other services are also developed with input from physicians and other clinicians with expertise in the relevant clinical area. The development process includes review of relevant clinical literature and local standards of practice.

Our Clinician Advisory Committees, comprised of actively practicing physicians from throughout the network, serve as the forum for the discussion of specialty-specific clinical programs and initiatives, and provide guidance on strategies and initiatives to evaluate or improve care and service.
