Important Information

ACCESSING CARE WITHIN THE HARVARD PILGRIM HMO:
• As a member of the Harvard Pilgrim HMO, you will be required to choose a Primary Care Physician (PCP) for you and each member of your family.
• Each member may choose a different PCP.
• Your PCP will provide or arrange all of your medical care.
• You can change your PCP at any time by simply writing or calling your Plan’s Member Services Department.

Should you or a covered family member require care from a specialist, your Primary Care Physician will refer you to an appropriate participating specialist. However, such referrals are usually made to those specialists affiliated with the same physician group or hospital as the Primary Care Physician. In cases where the needed service is not available at that location, you will be referred to the appropriate providers at other locations in the respective Plan’s network.

ACCESSING CARE WITHIN THE HARVARD PILGRIM PPO Plus HSA:
• Members are allowed to select the provider of their choice when obtaining covered services.
• A member’s responsibilities and financial obligations differ depending upon whether a participating provider or a non-participating provider is selected.

This comparison is in no way intended as a comprehensive or definitive statement for any aspects of these plans. Please refer to the appropriate plan documents for detailed descriptions of all benefits, exclusions, deductibles and member responsibilities. In the event of a conflict between this comparison and the appropriate plan documents, such as the Harvard Pilgrim Member Agreement and Summary Plan Description, the Harvard Pilgrim Member Agreement and Summary Plan Description will govern.
