Important Steps Required for On-Campus Flu Shots

Advanced registration is required. In order to receive a flu shot, please book your appointment by Wednesday, September 29 by visiting: <https://www.medbar.com/wellesley>. You will want to have your Medical Insurance card in front of you so you can include that information in the online form. (You do not need to fill out the Employer Group Number.)

Appointments are scheduled 10 minutes apart to maintain appropriate spacing within the site of the clinic.

Checklist for the Day of Your Appointment

- ✓ Bring a form of ID (Driver's License etc)
- ✓ Bring and wear your mask.

When you arrive, there will be a Med Bar Staff Member to direct you. The nurse will ask for your ID and will look up your appointment/information in their computer prior to administering the flu shot. After you have received your flu shot you will be asked to remain close to the clinic for 15 minute.

Harvard Pilgrim Participants - Need more information about Flu Vaccines for you or your family? Please see the links below:
