HATS OFF TO CREATIVITY!

WE SALUTE THE MANY WAYS

WE EXPRESS OUR HUMAN SPIRIT

WE INVITE YOU TO PARTICIPATE IN A VISUAL ART SHOW
OF EVERY IMAGINABLE KIND OF CREATIVITY.

We remember our 50th reunion, how we tried to hang an art show on the walls of Tower Court in the sweltering heat of June. The balcony was a tight space with poor lighting and displaying art was close to impossible. Nearly ten years have gone by and we are using our 21st Century smarts, building on the Power Point template developed for our 55th Reunion. Once again we want to salute the many extraordinary interests and talents of our classmates! Please send us your images, anything that can be captured in a photograph.

DOBREE ADAMS & JUDY NAVAS LUND

SUBMISSION DEADLINE: DECEMBER 1, 2019

FIRST: Your name the way you would like it to appear and your contact information for us if we have questions (email and phone)

CALLING ALL AUTHORS!

If you have published a book or a blog, an essay, editorial or op ed, sheet music, script, film, column, or other form of published material that we may not have even thought of, let your classmates know about it.

As part of the Creativity Committee’s contribution to our 60th reunion celebration, we are planning to prepare and distribute a list of publications.

IF YOU DID IT AND YOU CAN CITE IT, YOU MAY INCLUDE IT!

If you would like to submit entries, please send an email to Peggy Cohn ASAP and no later than November 1, 2019. (peggycohn38@gmail.com)

Peggy will then email you instructions about how to list your work, no matter what form you published it in. Just as an example, here is a book citation in the most recent Modern Language Association format:

There will be help for citing work published in any medium. Your entry, formatted according to the instructions, should then be sent to Alice Padwe (algipad@aol.com) by December 1, 2019.

The list of publications will be on our class website for future reference as well as distributed to reunion participants.
