MAKING TRAVEL PLANS
The College allows students and families to move into the residence halls beginning at 8am on Friday, August 26. Please keep in mind that there is a 6-hour window for moving in. You may avoid the early rush by arriving after 9:30am.

- Use the entry to campus listed on page 2 to minimize your waiting time and to help us manage the traffic flow.
- Watch for campus police officers and for student leaders in Orientation T-shirts who will be available to greet you, guide pedestrian and vehicular traffic, and answer any of your questions.
- Eat a good breakfast in the morning. This will be a long and busy day.
- Carrying those suitcases and boxes can be tiring. Bring a snack and some bottled water with you.
- Pack smart—make all items light enough to carry easily as each hall has one elevator available.
