English Department Tutors

We are a group of experienced students and literature enthusiasts, trained to help you analyze texts and write strong papers for your English classes.*
We work one-on-one with students of all years and all writing levels.

Come visit us at our office hours, held in the English Department Common Room (FND 106).

Angela Zhao (szhao2): Mondays, 7-8 PM
Ky Fuller (kfuller): Tuesdays, 4-5 PM
Sam English (senglis2): Wednesdays, 2-3 PM

We’d love to help you think through the writing process, develop a strong thesis, choose and present solid evidence, formulate richer analyses, or shape a rough draft into a complete essay.

*English Department Tutors differ from the Writing tutors, who tutor in a wider range of fields. We English Department Tutors specialize in English literature.
