

ANNUAL FUNDING NOTICE
FOR
WELLESLEY COLLEGE PENSION PLAN FOR CLASSIFIED OFFICE AND
SERVICE EMPLOYEES

Supplemental Communication

By law, plan participants must be notified if a missed plan contribution is not corrected within 60 days of the due date. The Wellesley College Pension Plan for Classified Office and Service Employees had required contributions due on a quarterly basis for the July 1, 2018 plan year. In prior plan years, quarterly contributions were not required. Due to an administrative oversight, the April 15, 2019 and July 15, 2019 quarterly contributions were missed. As soon as the missed payments were discovered in mid-July 2019, the College took action to rectify the situation. Wellesley College has since made all required contributions to the plan in respect of the July 1, 2018 and July 1, 2019 plan year.
