Cybersecurity/identity theft protection for elders

Help protect yourself, your family and your money

Are you concerned about identity theft and your family’s security online? TIAA’s Information Security team will discuss how elders can protect themselves and their families from cybercriminal social engineering.

We’ll discuss how to:
• Secure your identity
• Protect your family’s data and privacy
• Ensure the security of your finances
• Identify dangerous social engineering
• Respond when you suspect your information is being targeted

Visit TIAA.org/webinars to register. There’s no additional cost to attend!

Typically, this webinar will begin in January, at which time the featured speaker will discuss the importance of protecting your personal information.

If you’d like to take steps to protect your personal information, this webinar is for you!
