<tr>
<td><strong>Raising Resilient Kids Right Now</strong>&lt;br&gt;As parents, our number one priority is our kids. In these uncertain times, it’s hard to manage our own stress — and it’s even harder to help our children because we don’t have all the answers. What we can do is strengthen our resilience — and help our kids do the same. (Log into meQ)</td>
<td><strong>The Whole You Incentive Program:</strong> For support and inspiration as you take care of your physical, emotional and financial wellbeing as well as support your professional development and engagement goals.</td>
</tr>
<tr>
<td><strong>How to Get Through Just About Anything:</strong> Our mental health affects everything from how we feel physically to how we show up as a partner, parent, friend, or coworker — especially when life throws the tough stuff at us. (Log into meQ)</td>

Child Care and COVID-19 Tips

Wellesley College COVID-19 Pandemic
Major Disaster Leave Sharing Plan
This program is designed to support the administrative staff and union employees of the College. A leave bank has been created (from donations of unused vacation time) for employees who have exhausted their vacation time and for COVID-19 Pandemic related reasons require them to be absent from work.

Parent Resource Guide
Marsh & McLennan - This is a listing of resources and links aimed to support in-home learning and to provide practical resources to help with mental health well-being.

Care.com
