How it works:

Hypothetical savings example when visiting a licensed veterinarian, specialist or emergency clinic in the U.S.

Bella, a two-year-old mixed breed dog, needed emergency surgery after swallowing some small rocks. Bella pulled through, but not until incurring an emergency vet bill of $2,560. Since I had MetLife Pet Insurance, I was reimbursed for 90% of the bill once the deductible was met. Thanks to my smart decision to enroll, I saved $2,304 in out-of-pocket vet expenses.¹
