Faculty under review for reappointment, tenure, or promotion
2018-19

As specified in College legislation, the Committee on Faculty Appointments publishes each fall a list of faculty members to be reviewed that year for tenure, promotion, reappointment, or merit increases. Listed below are the faculty members to be reviewed in 2018-19, excluding candidates who requested that their names not be published. Early in semester II, the Committee will publish an updated list of faculty to be reviewed in the spring.

All members of the college community are encouraged to write letters about faculty members being reviewed and send them to the Office of the Provost and Dean of the College, Attention: Jennifer Ellis (cfa@wellesley.edu). Letters should be submitted before the R&P Committee’s deadline to be most helpful. These letters are reviewed by the Committee on Faculty Appointments. Many factors are considered in the Committee on Faculty Appointments’ decisions. These factors and the process of review, as well as the appropriate date for each review, are specified in Articles of Government, Guidelines for Faculty on Term Appointments, Guidelines for Appointments of Instructors in Science Laboratory, or Guidelines for the Department of Physical Education, Recreation and Athletics.

According to college policy, such letters are shared with the faculty member and his/her department chair, so any letter should indicate whether (1) the letter should be shared, as written, with your name left on it; or (2) the letter should be shared with your name and identifying wording removed. Letters may be submitted either in hard copy or electronically as an email or email attachment.

FACULTY UNDER REVIEW FOR TENURE (FALL)
R&P Committee recommendations are due no later than October 15, 2018. The candidates will be notified by December 15, 2018.
