On-Campus Employment Form Instructions

If you are in valid F-1 or J-1 status with an on-campus job offer and no social security number you must use this form to apply for a social security number. Please read these instructions and follow them carefully to avoid any delays in applying for your social security number.

Steps for Completing the On Campus Employment Form

- Complete Section 1
- Ask your Supervisor to complete Section 2 – *(The employment start date must be a date in the future. The date must at least 5 business days from the date you intend to apply in person at the Social Security Office)*
- Bring the form, along with a print out of your Form I-94, to your International Student & Scholar Advisor (ISSA)
- Ask your ISSA to verify your student immigration status and complete Section 3

Note: Any alterations to the On-Campus Employment Form, including white-out or cross outs may make the form invalid. It may not be accepted by the Social Security Administration Office.

This form must only be completed once since once you apply for a social security number, you will have it for your lifetime and you will not need to complete this process again.

Please also review Slater website section “On-Campus Employment” for an overview of the entire process. The instructions are available at https://www.wellesley.edu/international/employment/on-campus-employment.

If you have any questions about this form, please contact the Slater International Center at 781-283-2082 or slatercenter@wellesley.edu.
