**ARRIVING AT WELLESLEY**

Wellesley College allows students and families to move into the residence halls beginning at 8am on Tuesday, August 28. Please keep in mind that there is a 6-hour window for moving in. You may avoid the early rush by arriving after 9:30am. International Students who are registered to arrive on Sunday, August 26 should plan to arrive between 9 and 11:30am.

- Use the entry to campus listed on page 2 to minimize your waiting time and to help us manage the traffic flow.
- Watch for Campus Police Officers and for student leaders in Orientation T-shirts who will be available to greet you, guide pedestrian and vehicular traffic, and answer any of your questions.
- Eat a good breakfast in the morning. This will be a long and busy day.
- Carrying those suitcases and boxes can be tiring. Bring a snack and a bottle of water with you.
- Pack smart—make all items light enough to carry easily as each hall has one elevator that will be busy on move-in day.
- To avoid having duplicate items that take up valuable room space, check with your roommate(s) prior to Opening Day to talk about what you’ll be bringing with you.
- Bring this planning guide along with you!

**WHEN YOU ARRIVE**

- Proceed directly to the designated drop-off area for your building, where you will unload the vehicle and bring your belongings up to your room.
- Residence hall room keys and Orientation arrival packets will be distributed to students in each residence hall when you check in.
- Student leaders in Orientation T-shirts imprinted with the “Pursue Curiosity” logo will be available at each residence hall to guide you.
- Plan to leave your car in the drop-off area for no more than 15 minutes.
- After unloading, cars should be moved to one of the designated parking areas, as indicated on page 3 of this guide.
