NEW STUDENT ORIENTATION 2018

The Entering Student Checklist is your guide to getting ready for Wellesley. You should have already received an email from the Wellesley Help Desk containing your MyWellesley login credentials and access to the Entering Student Checklist. Completing tasks on the Checklist will help you get started on your path to becoming a member of the Wellesley community. Visit MyWellesley to access the live version of the Checklist below, find more information on tasks, and track your progress.

Checklist items will be released in waves throughout the summer, so visit the Checklist regularly and complete tasks by the stated deadlines below. There are some tasks (in bold below) that must be completed before you may move into your residence hall or attend classes, so pay close attention to those due dates. The other items are important too, but may not apply to all new students. If you have any questions, please reach out to orientation-questions@wellesley.edu.
